ABOUT SATHYABAMA Sathyabama Institute of Science and Technology (A Christian Minority Institution) formerly known as Sathyabama Engineering College was established in 1987 by Dr. Jeppiaar. It is a premier institute imparting knowledge in the areas of engineering, science, technology and education. The institution's progress and contribution to the field of technical education for over two decades resulted in granting Deemed University status on 16th July, 2001. The University has been awarded as Category "A" University by Ministry of Human Resources Development (MHRD), Government of India and accredited by NAAC with Grade "A" in the year 2017, certified with DNV-GL ISO 9001 standard and offering exemplary education from last 29 years.

Sathyabama Institute of Science and Technology with the holy blessings of founder chancellor Colonel Dr. JEPPIAAR, and under the guidance of Tmt. Dr. Remibai Jeppiaar, Chancellor, has been strengthening its developmental activities in bearing fruits of research for betterment of the society. The architects of tomorrow and believers of today's transformation in education; our President Dr. Marie Johnson and Pro Chancellor Dr. Mariazeena Johnson providing the necessary thrust in all the development activities of the University. Dr. S. Sundar Manoharan, Vice Chancellor, Dr. S. S. Rau, Registrar, Dr. T. Sasipraba, Pro Vice Chancellor, Dr. S. Igni sabasti prabu, Contoller of Examinations and Dr. B. Thayumanavan, Dean (Dental College and Hospital) are providing the necessary support system for the best endeavours.

Untiring efforts staff, students and management and positive academic ambience prevailed in the campus had made University to be ranked as 2nd among Private Universities in Tamilnadu by National Institutional Ranking Framework, Ministry of Human Resource Development, Government of India. University also declared as one among the top 31 deemed to be Universities by the Times Higher Education Ranking and also ranked four stars in QS International Ranking.

The Sathyabama Institute of Science and Technology (Deemed to be University) offers 27 programmes at UG level and 41 programmes at PG level in all disciplines. We have excellent infrastructure facilities including modern laboratories, library with multimedia facilities, internet and other general amenities. Holds great promise to expand the applications of space technology, benefiting the common man and enriching the quality of life in association with Indian Space Research Organization (ISRO). We have written a special page in the history of space research on 22nd June, 2016 with the launch of "SATHYABAMASAT" in association with ISRO. Right from quality technical manpower to ethical needs, the expectations of the nation from us, we arrived to a position to deliver with consistence. The launch of "SATHYABAMASAT" and accolades received in world platforms is a specimen.

SCHOOL OF LAW Sathyabama School of Law aspires to be an internationally-renowned centre for research and teaching in law. School of Law is dedicated in advancing human dignity, social welfare and justice through knowledge of law.

Our courses are academically rigorous, informed by the latest research. Courses are taught by dedicated, efficient and industrious faculty and a cadre of intellects that includes respected judges and experienced practitioners. We work with a wide variety of groups including the legal profession, policy makers, research bodies and organizations. This reflects our strength in many fields of legal and socio-legal research and this give our students the opportunity to interact with internationally-respected scholars. Our programmes will prepare students for a career in the legal profession and beyond. The curriculum has been designed to provide with a strong foundation in the core subjects coupled with opportunities to pursue optional courses in areas of undergraduate's choosing.

INFRASTRUCTURE: State of the art infrastructure includes Col.Dr.Jeppiaar Moot Court, Classrooms are ergonomically friendly and equipped with projectors, LCD screens to make them comfortable for the students. The campus comprises computer laboratory, Central library with access to national and international journals and e-resources, Conference rooms, Auditorium, Digitally Equipped Classrooms and Sports Grounds and many other facilities.

School of Law contributes to the advancement of knowledge by providing professional training across a broad spectrum of legal disciplines. An outstanding example of such commitment is the opportunities to participate in special programs such as the Program in Law and Technology, the Pro Bono Commitment to Community Program, internships, clinics, Law Review, moot court, mock trial, conferences and seminars events as part of the programme.

One of the unique facets of the School of Law is the opportunity provided for students to take part in both national and international competitions. This allows students to expand on the knowledge obtained through the compulsory moot and internal competitions whilst also affording the opportunity to meet fellow students across numerous institutions. These will enhance the required qualities in the dynamic legal industry. Students will acquire the legal knowledge, skills and values needed to help others and to distinguish themselves by making a true impact upon the world.

Theme of the workshop Creativity and innovation are new drivers of the world economy. Intellectual Property Right (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. With the increasing relevance of Intellectual Property in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the Country, School of Law, Sathyabama institute of science and technology is organizing a one day National Workshop on Intellectual Property Rights. The Workshop is intended to cover various aspects of IPR.

KEY THEMES OF THE WORKSHOP

- Transition of Intellectual Property Rights
- Intellectual property rights Implications on Innovations
- Drafting of a patent specification- a techno-legal document
- Protecting and exploring IPRs
- IP Litigation & Growing Trends in India

Participants: Open to Students, Research Scholars, Faculty and Industry Professionals.
