INTERNATIONAL CONFERENCE ON INTELLECTUAL PROPERTY RIGHTS AND INNOVATION MANAGEMENT

Thursday 12th September to Saturday 14th September 2019

About the Conference

Creativity and innovation are new drivers of every economy. Intellectual Property Rights (IPRs) plays a vital role in enhancing the socio-economic prosperity of every country. International Conference on Intellectual Property Rights and Innovation Management is scheduled to be held on 12th, 13th and 14th of September 2019. The objective of the conference is to impart greater awareness about Intellectual Property Rights. To understand patentability criteria and viable aspects of the patent and to create an advance level of IP awareness. Lawyers and scientists are the two sides of the coin in the field of intellectual property. The planned conference is holistic in its scope covering the aspects of property Rights relevant to researchers, scientists, farmers, business planners, lawyers, teachers, academicians and different stakeholders. The conference maintains inter disciplinary focus and welcomes presenters and attendees with expertise in Law, business management, technology, engineering, humanities and Social Sciences. Academicians, Practitioners seeking a stimulating opportunity to learn and share the latest research, best practices, theories and insights in the mentioned themes should attend. The conference shall be a platform for providing and receiving constructive feedback on research progress.
