SCHOOL OF COMPUTING
Department of Information Technology
in association with
IIT BOMBAY, Spoken Tutorial
(An initiative of National Mission on Education through ICT, MHRD, Govt of India)
organizes
**Six Days Online Student Development Program (SDP) on
R-PROGRAMMING**
SDP Dates : 24.01.2022 to 29.01.2022

Spoken Tutorial Project is funded by National Mission on Education through ICT, MHRD, Govt. of India. And Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMNMNMTT), MHRD, Govt. of India

REGISTRATION
Register online at :
<https://forms.gle/3NEDdRC8Cmhmtk7TA>
Last date for Registration : 23.01.2022

Free Registration!
E-Certificates will be provided to all participants

Chief Patrons
Dr. Mariazeena Johnson, Chancellor
Dr. Marie Johnson, President
Mr. J. Arul Selvan, Vice President
Ms. Maria Bernadette Tamilarasi, Vice President

Patron
Dr. T. Sasipraba, Vice Chancellor

ABOUT SATHYABAMA:

Sathyabama is a prestigious institution which excels in the fields of Engineering, Science and Technology for more than three successful decades. It offers multi-disciplinary academic programs in various fields of Engineering, Science, Technology, law, Dental Science, Pharmacy, Nursing, Management, Arts and Science and Allied Health Sciences. It is established under Sec.3 of UGC Act, 1956 and is been Accredited with 'A' Grade by the National Accreditation and Assessment council. The Institution persistently seeks and adopts innovative methods to improve the quality of higher education and is responsive to the changes taking place in the field of education on a global scale. The Institution has a team of dynamic and outstanding faculty, innovative pedagogical practices, state of the art infrastructure and world class Research Facilities. This glorious Institution is functioning under the dynamic leadership of Dr. Mariazeena Johnson, Chancellor, Dr. Marie Johnson, President and Ms. Maria Bernadette Tamilarasi, Vice President and J. Arul Selvan, Vice President. Sathyabama has a good presence in rankings and ratings at National and International level. The Institution has been ranked in 40th position by the National Institutional Ranking Framework (NIRF), Government of India among the Universities in India for the year 2021 and ranked one among the top 50 Universities for five consecutive years. Sathyabama is ranked among the Top 6 Institutions in the Country for Innovation by ATAL ranking of Institution for Innovation Achievements, Govt. of India. Times Higher Education and QS has ranked Sathyabama among the top Institutions worldwide. Sathyabama Institute of Science & Technology has alliances with leading Universities and research establishments at National and International Level. It is a research intensive University with world class laboratories and research facilities and is involved in research in the emerging areas of Science and Technology. Sathyabama has undertaken various sponsored and collaborative R&D projects funded by National and International Organizations. Sathyabama has written a special page in the history of space research on 22nd June 2016 with the launch of "SATHYABAMASAT" in association with ISRO. Sathyabama has emerged as a leading Institution and achieved excellence in higher education to international standards owing to its research and academic excellence.

ABOUT SCHOOL OF LAW:

Legal education is at a pivotal moment society's need by adding value to the students learning to serve society and spirit of community is an integral part of our curriculum. Ever since its inception, School of Law has stood by its strong dedications to the study of law and interdisciplinary approaches to law and the focus is on real-world skills required to be ready for practice. School of Law is defined by its way Legal Education is imparted and the school is keen on investing for students' intellectual and personal development. School of Law functions with most dynamic leadership programs, events and initiatives that help students gain a deeper understanding of leadership and carry leadership qualities. In the process, students grow as engaged leaders on campus, in the community, and beyond. School of Law is well known for its discipline, exposure and qualified faculty and their commitment. Sathyabama School of Law aspires to be an internationally renowned Centre for research and teaching in law. School of Law is dedicated in advancing human dignity, social welfare and justice through knowledge of law. Our courses are academically rigorous, informed by the latest research. Courses are taught by dedicated, efficient and industrious faculty and a cadre of intellects that includes respected judges and experienced practitioners. We work with a wide variety of groups including the legal profession, policy makers, research bodies and organizations. This reflects our strength in many fields of legal and socio-legal research, and this give our students the opportunity to interact with internationally respected scholars. Our programs will prepare students for a career in the legal profession and beyond. The curriculum has been designed to provide with a strong foundation in the core subjects coupled with opportunities to pursue optional courses in areas of undergraduate's choosing.

ABOUT THE WORKSHOP:

Human beings are by nature endowed with creative faculties. On the other hand, the construct of human family as whole sustains on the principle of interrelations and relative responsibility. The 2020 Agenda for Sustainable Development and the 17 Sustainable Development Goals (SDGs) adopted as its heart aims for peace and prosperity for the planet and the people. According to WIPO, Intellectual Property is a critical incentive for innovation and creativity, which are keys to the success of the SDGs. But with the growing societal development and changing requirements of the human society, the concept of innovation is increasingly opposed with sustainability itself. The recent pandemic situation also has vividly brought the question to the forefront. In particular, Patents among other intellectual property is the most contested. This One-Day Webinar is aimed at analyzing the issues which pose questions of rationality with respect to patents given the emerging societal growth and needs.

Sub-themes:

- ✓ Covid Pandemic and Patent Protection
- ✓ Artificial Intelligence and Patent Protection
- ✓ Emerging Conception of Standard Essential Patents
- ✓ Traditional Knowledge and Patent Protection
- ✓ Objectives

The Webinar is aimed at achieving the following objectives:

1. To analyze the rationality of the Patent Protection given the changing circumstances and evolving scenarios.
2. To test and understand the workability of Patent protection system in the wake of dire societal needs, for instance, the Covid Pandemic.
3. To understand the emerging conceptions within the Intellectual Property System which promises to balance rights of innovation and human rights such as Standard Essential Patents, Patent Pooling, FRAND, etc.
4. To visualize the impact of high-level innovation like the Artificial Intelligence, Metaverse on Intellectual Property Protection system.
5. To throw light on the interrelationship of Traditional Knowledge along with its rights associated vis-à-vis Patent Protection.

Chief Guests

Ms. Niharika Sahoo Bhattacharya

**Geo Artificial Intelligence – A Paradigm shift in Health Care
Applications**

06- 16-December-2021

Organized by:

School of Computing –Dept. of Computer Science And Engineering

In Association with

Centre for Remote Sensing & Geoinformatics (CRSG) &

Indian Society of Remote Sensing –Chennai Chapter

Sathyabama Institute of Science and Technology, Chennai

Date: 01st Oct. 2020 to 31st Oct. 2020

Two weeks Program on “Hands Geo Artificial Intelligence – A Paradigm shift in Health Care Applications” was organized and conducted by School of Computing –Dept. of Computer Science And Engineering In Association with Centre for Remote Sensing & Geoinformatics (CRSG) & Indian Society of Remote Sensing –Chennai Chapter of Sathyabama Institute of Science and Technology, Chennai from 06 to 16-December-2021 through online mode.

The program aimed to mould together of artificial intelligence (AI) and the geographic/geographic information systems (GIS) dimension creates GeoAI. There is an emerging role for GeoAI in health and healthcare, as location is an integral part of both population and individual health. This program provides an overview of GeoAI technologies (methods, tools and software), and their current and potential applications in several disciplines within public health, precision medicine, and Internet of Things-powered smart healthy cities. The potential challenges currently facing GeoAI research and applications in health and healthcare are also discussed in this program.

Ten Days Certification Program

on

Geo Artificial Intelligence - A Paradigm Shift in Health Care Applications

6th Dec '21 to 16th Dec '21 : Time 10 am to 11 am

KEY SPEAKERS

Dr. Vasna Joshua

Scientist C
Epidemiology and Biostatistics, National
Institute of Epidemiology, ICMR, Chennai,
Title : GIS in Healthcare

Dr. Pamela

Associate Professor
Biomedical Engineering, Karunya University
Title : 3D Printing In Healthcare and Its Scope

Mr. Nithin T.H.

PhD Scholar (Senior Research Fellow/DST)
Cognitive Neurology Lab, Department of Neurology,
NIMHANS, Bangalore.
Title : Integrating Technology And Neuroscience
Path Towards Artificial Intelligence

Dr. Nandhitha N.M.

Dean S&SE, SIST
Title : Deep learning for medical image
analysis in telemedicine

Dr. Jerrin Joseph

Scientist D
Centre for Drug Discovery, IBC, SIST
Title : Role of Natural product Drug Discovery
for infectious diseases

Dr. Grace Kanmani

Associate Professor, SIST
Title : Geo AI Applications In Health Care

Dr. Pravda

Professor & Head
Department of Oral Medicine & Radiology
Sathyabama Dental College & Hospital,
Title : Artificial Intelligence in
Dentomaxillofacial Imaging

Dr. A. Sivasangari

Associate Professor
Dept. of Information Technology, SIST
Title : AI Applications in Healthcare

Dr. S. Revathy

Associate Professor,
Dept. of Information Technology, SIST
Title : Demo on AI in healthcare
application using R programming

Dr. G. Geetha

Associate Professor
Dept. of Geography, Queen Mary's College, Chennai,
Title : An application of GIS on physical health problems
of construction workers - A case study of Chennai city

Chief Patrons

Dr. Mariazeena Johnson, Chancellor
Dr. Marie Johnson, President
Mr. J. Arul Selvan, Vice president
Ms. Maria Bernadette Tamilarasi, Vice president

Patrons

Dr. T. Sasipraba, Vice Chancellor
Dr. B. Sheela Rani, Director-Research

Convenors

Dr. T. Sasikala,
Dean, School of Computing
Dr. L. Lakshmanan, Head-CSE
Dr. S. Vigneshwari, Head-CSE

Certificate : E-Certificate will be issued to all Registered Participants.

COORDINATORS

Dr. G. Meeragandhi, Professor/CSE, SIST
Dr. K. Nagamani, Scientist, Centre for Remote Sensing, SIST
Ms. Roobini, Assistant Professor/CSE, SIST

Brochure for Geo Artificial Intelligence – A Paradigm shift in Health Care Applications

BROCHURE:

Geospatial data refers to data containing a geographic component that identifies locations (e.g., coordinates, addresses, and postcodes) or indicates geographically referenced features and conditions, such as the population of a district, seasonal weather of a region, number of vehicles passing a highway intersection, and geo-tagged social media data . National and local governments were historically the main provider of geospatial data, but it is becoming common for geospatial data to be acquired and generated by commercial enterprises, academic researchers, and non-profit organizations. More recently, IoT sensors and devices deployed in modern cities represent novel and alternative sources of generating geo-tagged big data. It is therefore meaningful and imperative to apply robust GeoAI technologies to process, analyse, and make sense of such increasing amounts of spatial big data in real time.

Training as a part of capacity building is an integral component of advanced technologies. Developing Trainers in the field of GIS and AI is the need of the hour so as to percolate various health management components up to the grass root levels and is crucial to build capacity of a nation. As part of the basic course, the content would revolve around understanding the basic concepts

Assistant Professor

Dr. Rani J.
Assistant Professor

**ZOOM ID : 81142179408
PASSWORD: 123456**

Our Alumni Speakers

Day 1

24.09.2021 (Friday)

Mr. Dharshan Mahadevan

Key Accounts Executive

Qatar National Import and Export, Doha.

Day 2

25.09.2021 (Saturday)

Mr. George Varghese

Channel Development Manager

MRF Limited, Chennai

Day 3

26.09.2021 (Sunday)

Mr. Arun L

Associate Manager - Customer Success

Payoda Technologies

Day 4

27.09.2021 (Monday)

Mr. Muthu Kumar

Assistant Manager

BNP Paribas, Chennai

Day 5

28.09.2021 (Tuesday)

Mr. Antony William Truman

Divisional Marketing Manager

Nayara Energy Limited, Chennai.

Day 6

29.09.2021 (Wednesday)

Ms. Pallavi

Business Analyst

20 Cube Logistics Private Limited, Chennai.

Day 7-

30.09.2021 (Thursday)

History of IP Rights

- 6th Century B.C.E.- Sybaris in Ancient Greece offered the yearlong exclusivity for their culinary invention.
- 257-180 B.C.E.- Roman author, Vitruvius, while serving as judge in a literary contest in Alexandria, revealed intellectual property rights to some of the poets.
- 1421 A.D- The first legally protected patent was offered to an inventor.
- 1710 A.D- Writers and authors were granted a renewable copyright protection for their original works by the Statute of Anne.
- 1883 A.D- Paris Convention
- 1886 A.D- Berne Convention

ABOUT SATHYABAMA:

Sathyabama is a prestigious institution which excels in the fields of Engineering, Science and Technology for more than three successful decades. It offers multi-disciplinary academic programmes in various fields of Engineering, Science, Technology, law, Dental Science, Pharmacy, Nursing, Management, Arts and Science and Allied Health Sciences. It is established under Sec.3 of UGC Act, 1956 and is been Accredited with „A“ Grade by the National Accreditation and Assessment council. The Institution persistently seeks and adopts innovative methods to improve the quality of higher education and is responsive to the changes taking place in the field of education on a global scale. The Institution has a team of dynamic and outstanding faculty, innovative pedagogical practices , state of the art infrastructure and world class Research Facilities. This glorious Institution is functioning under the dynamic leadership of Dr. Mariazeena Johnson,Chancellor, Dr. Marie Johnson, President and Ms. Maria Bernadette Tamilarasi Johnson, Vice President.

Sathyabama has a good presence in rankings and ratings at National and International level. The Institution has been ranked in 39th position by the National Institutional Ranking Framework (NIRF), Government of India among the Universities in India for the year 2020 and ranked one among the top 50 Universities for five consecutive years. Sathyabama is ranked among the Top 5 Institutions in the Country for Innovation by ATAL ranking of Institution for Innovation Achievements, Govt. of India. Times Higher Education and QS has ranked Sathyabama among the top Institutions worldwide. Sathyabama Institute of Science & Technology has alliances with leading Universities and research establishments at National and International Level. It is a research intensive University with world class laboratories and research facilities and is involved in research in the emerging areas of Science and Technology.

Sathyabama has undertaken various sponsored and collaborative R&D projects funded by National and International Organizations. Sathyabama has written a special page in the history of space research on 22nd June 2016 with the launch of “SATHYABAMASAT” in association with ISRO. Sathyabama has emerged as a

leading Institution and achieved excellence in higher education to international standards owing to its research and academic excellence.

ABOUT SCHOOL OF LAW:

Sathyabama School of Law aspires to be an internationally-renowned Centre for research and teaching in law. School of Law is dedicated in advancing human dignity, social welfare and justice through knowledge of law. School of Law offers B.A.LL.B (Hons.), B.B.A.LL.B (Hons.), B.Com.LL.B (Hons.) and LL.B Programs. Our courses are academically rigorous, informed by the latest research. Courses are taught by dedicated, efficient and industrious faculty and a cadre of intellects that includes respected judges and experienced practitioners. We work with a wide variety of groups including the legal profession, policy makers, research bodies and organizations. This reflects our strength in many fields of legal and socio-legal research and this gives our students the opportunity to interact with internationally-respected scholars.

Our programmes will prepare students for a career in the legal profession and beyond. The curriculum has been designed to provide with a strong foundation in the core subjects coupled with opportunities to pursue optional courses in areas of undergraduate's choosing.

ABOUT FDP:

Intellectual property (IP) contributes enormously to our national and state economies. Dozens of industries across our economy rely on the adequate enforcement of their patents, trademarks, and copyrights, while consumers use IP to ensure they are purchasing safe, guaranteed products. We believe IP rights are worth protecting, both domestically and abroad. Risk and occasional failure are the lifeblood of the innovation economy. IP rights incentivize entrepreneurs to keep pushing for new advances in the face of adversity

IP rights facilitate the free flow of information by sharing the protected know-how critical to the original, patented invention. In turn, this process leads to new innovations and improvements on existing ones. This FDP has been initiated with an objective in bringing all of these important and diverse points together and to create awareness among academics and industry.

Department of Visual Communication

The screenshot shows a Zoom meeting window. The main content is a presentation slide titled "Paid, Owned and Earned Media". On the left side of the slide is a portrait of Sujit Patil. On the right side, there is text identifying him as the vice president and head of corporate communications for Godrej Industries Limited. The text includes a quote from him about integrated communication. In the top right corner of the Zoom window, there are three small video thumbnails of other participants. The Windows taskbar is visible at the bottom of the screen, showing various application icons and the system clock indicating 11:09 on 15-10-2022.

Paid, Owned and Earned Media

Sujit Patil, vice president and head of corporate communications, Godrej Industries Limited shares that: "Integrated communication for me is the way forward. Effectiveness of campaigns just zooms up when the strategy cuts across paid, owned and earned media genres."

DISTINGUISHED SPEAKERS
Shri. A. Raja,
Assistant Controller, IPR office, Chennai

Mrs. N. Priyadarshini,
IP Analyst, QIPR, Anna University, Chennai

Mr. Thalappakka Venkata Madhu Sudhan,
Deputy Controller (R&D), IPR Office, Chennai

Dr. A. Balaji Ganesh,
Dean (R&D), Qualified Patent agent,
Velamangalam Engineering College

Dr. Sundaram Seshadri, Coordinator
TBI, Sathyabama Institute of S&T.

in collaboration with

Department of Aeronautical Engineering & Internal Quality Assurance Cell (IQAC)

SATHYABAMA INSTITUTE OF SCIENCE AND TECHNOLOGY
(Deemed to be University)

26th & 27th APRIL 2021

Two-day National Level Virtual Workshop

on

Sensitization on IPRs for Professional Innovators

Celebrating World Intellectual Property Day

SATHYABAMA
INSTITUTE OF SCIENCE AND TECHNOLOGY
(DEEMED TO BE UNIVERSITY)
(Established under Section 3 of the UGC Act, 1956)
Accredited with 'A' Grade by NAAC

Theme	About Sathyabama
IPRs are considered as a barometer of research and development (R&D) activities in Universities, Institutes and Industries worldwide. Thus, creating awareness among faculty and budding researchers is need of the time encouraging them to file patents, copyright, trademarks, technology transfer, national/foreign direct investments and also helps in technological development of university and industrial sector. Today there is a dire need for the technology businesses, start-ups and academic Institutions focusing on research to understand and become aware of the key issues and recent developments in IPR related to technology segments. The workshop will cover on Fundamental Aspects of IPRs, Indian Patent Acts and Rules, Best Practices in Patent Filings in India, Hands on training on Patent Drafting, Forms and Fees Drafting Procedures, Case Studies and Analysis. It is essential to ensure whether our specific idea is unique or not by investigating domestic as well international patents.	Sathyabama Institute of Science and Technology is an Academic and Research Universities that offers various programmes in various fields of Engineering, Science, Dentistry, Law and Nursing. It has been Accredited with Accreditation and Assessment Council (NAAC). Its rankings and ratings are excellent at National and International level. In 2020, Sathyabama Institute of Science and Technology position among the Universities in India by the National Framework (NIRF), Government of India. NIRF ranks Sathyabama in the top 50 positions and this is the Institution is receiving this recognition. Sathyabama Institute of Science and Technology is steered towards success under the leadership of Mrs. Mary Johnson and President Dr. Marie Johnson. The Institute has undertaken various sponsored projects funded by various organizations and also successfully conducted non-profit projects through 18 village Resource Centers all over the state.
Program Outcomes	About TNSCST
The workshop aims to provide an overview on IPR to the graduates and professionals and bring out the techno legal professionals. The ultimate objective of this workshop is to create awareness among faculty and research scholars attracting and encouraging them to probe for possibility of generating IPR from their research work prior to going for publication of the research work, which would be helpful for Institutions to improve ranking position. Through this workshop the participants will be able to have a better understanding of the following issues/concepts. ❖ Protecting technical innovation/using patents and patent information for R&D. ❖ Patent Drafting ❖ Copy Right and Trade Marks IP, R&D and knowledge transfer with special reference to universities and public research. The Expected outcome of workshop is to designing the IPR Learning Landscape. The topics covered in the workshop are designed to equip the institutions to face the IPR challenges in this 21st century.	The Tamil Nadu State Council for Science and Technology (TNSCST) is a liaison between the Government of India and the State Government to supervise and conduct successful research by giving unemployed and economically backward researchers with training and inculcating quality research. The Council operates with various Colleges, Universities and educational organizations, features of good research and provides opportunities to individuals. In order to facilitate Intellectual Property Rights, the Patent Cell has been established at the Tamil Nadu State Council for Science and Technology. The Centre handles enquiries on IPR, creates IPR awareness among Various Universities/ Institutes of Higher Education and provides State with support of Department of Science & Technology, New Delhi to provide facilitation services regarding intellectual property rights especially to Science and Technology community. All researchers, innovators, R&D professionals, financial institutions, business entrepreneurs, non-government organizations (NGOs) etc. can utilize the facilities of TNSCST's Patent Information Centre.

THEME

IPRS are considered as a barometer research and development (B&D) activities in Universities, Institutes and Industries worldwide. Thus, creating awareness among faculty and budding researchers is need of the time encouraging them to file patents, copyright, trademarks, technology transfer, national/foreign direct investments and also helps in technological development of university and industrial sector. Today there is a dire need for the technology businesses, start-ups and academic Institutions focusing on research to understand and become aware of the key issues and recent developments in RR, related to technology segments. The workshop will cover on Fundamental Aspects of IRBs Indian Patent Acts and Rules, Best Practices in Patent Filings in India, Hands on training on Patent Drafting, Forms and Fees Drafting Procedures, Case Studies and Analysis. It is essential to ensure whether our specific idea is unique or not by investigating domestic as well international patents.

Programme Outcome

The workshop aims to provide an overview on IPB to the graduates and professionals and bring out the techno legal professionals. The ultimate objective of this workshop is to create awareness among faculty and research scholars attracting and encouraging them to probe for the possibility of generating IPR from their research work prior to going for the publication of the research work, which would be helpful for Institutions to improve ranking position. Through this workshop, the participants will be able to have a better understanding of the following issues/concepts.

- Protecting technical innovation/using patents and patent information for R&D.
- Patent Drafting
- Copyright and Trade Marks

About Sathyabama

Sathyabama Institute of Science and Technology is one of South India's premi Academic and Research Universities that offers mult-disciplinary academic programmes in various fields of Engineering Science. Technology. Management Dentistry, Law and Nursing. It has been Accredited with A Grade by the National Accreditation and Assessment Council (AAC) Sathyabama standing in rankings and ratings are excellent at National and International level. For the year 2020, Sathyabama Institute of Science and Technology has been ranked in 39th position among the Universities in India by the National Institutional Ranking Framework (BE) Government of India. BE has consistently ranked Sathyabama in the top 50 positions and this is the fifth consecutive year the Institution is receiving this recognition Sathyabama Institute of Science and Technology is steered towards success under the leadership of Chancellor Dr. Mariazeena Johnson and President Dr. Marie Johnson. Sathyabama has undertaken various sponsored projects funded by both International & National organizations and also successfully conducted non- formal education programs through 18 village Resource Centers all over the state.

About TNSCST

The Tamil Nadu State Council for Science and Technology (INSCAT) serves as liaison between the Government of India and the State Government to initiate, supervise and conduct successful research by giving opportunities to rural unemployed and economically backward

researchers with the sole aim of promoting and inculcating quality research. The Council operates with maximum utility towards SKARSDising Colleges, Universities and educational organizations by inculcating features of good research and provides opportunistic windows for research-savvy individuals.

In order to facilitate Intellectual Property Rights, the Patent Information Centre has been established at the Tamil Nadu State Council for Science & Technology, Chennai. The Centre handles enquiries on IRR, creates IRR awareness, establish RR cells in Various Universities/ Institutes of Higher Education and promote IRR filings within the State with support of Department of Science & Technology, Government of India. New Delhi to provide facilitation services regarding intellectual property to everyone especially Science and Technology community. All scientists, technologists, researchers, innovators, financial institutions, R&D establishments, business, entrepreneurs, non-government organizations (NGOs) and individuals utilize the facilities of JNSCSTS Patent Information Centre (PIC).

HANDS-ON WORKSHOP ON VIRTUAL ROBOTICS

Organized By:

DEPARTMENT OF MECHATRONICS ENGINEERING
SCHOOL OF MECHANICAL ENGINEERING

19th to 24th APRIL 2021

About Department of Mechatronics Engineering

Started in 2018 under the School of Mechanical Engineering, the Department of Mechatronics Engineering has emerged as a **launchpad** for the evolution of Mechanical and Electronics Engineering through the amalgamation of mechanics, precision engineering, sensor and actuation technology, computer science and control theory. The department offers a 4-year B.E. degree **program** with a modern curriculum matching to the needs of the industry. The department has futuristic infrastructure and well-equipped laboratories. The pivotal aim of the department is to provide outstanding education to the students with practical knowledge and hands on experience to solve the Industrial problems.

About Mukkudal Robotics

Mukkudal Robotics is a team of energetic engineers. They believe practical learning is the key resource to train the young minds to build their **future** tech world. They make students to get involved in STEAM Education through Robotics, which improves creativity, innovation and coding skills. Started year 2019, **Mukkudal** Robotics is constantly growing from strength to strength by focusing on quality education through technology.

Sessions Handled By

MONIR ANJAM, S.O.R., Founder & CEO, **Mekkadal Robotics**

An Electronics and Communication Engineer, with core interest in creative field chose Robotics has his career and started implementing his creativity in robotics since completing his education. He believes young minds are to be involved in tech based practical learning, which makes students to see their future in an optimistic view, so he started an **Edtech Organization** with the team of equipped engineers.

WORKSHOP SCHEDULE

DAY - 1 (19.04.2021) INTRODUCTION TO ROBOTICS EV3 ROBOTICS KIT PRACTICAL ROBOTICS KIT Vs VIRTUAL ROBOTICS KIT DAY - 4 (22.04.2021) PROJECT OF THE DAY (Touch Sensor & Ultrasonic sensor)	DAY - 2 (20.04.2021) SOFTWARE OVERVIEW ACTION BLOCK (Motor Control) PROJECT OF THE DAY DAY - 5 (23.04.2021) PROJECT OF THE DAY (Colour Sensor & Gyro Sensors)	DAY - 3 (21.04.2021) CALIBRATION SQUARE FORMATION LOOPING PROJECT OF THE DAY DAY - 6 (24.04.2021) SWITCHCASE LINE FOLLOWER

HANDS-ON WORKSHOP ON VIRTUAL ROBOTICS
Organized By
DEPARTMENT OF MECHATRONICS ENGINEERING SCHOOL OF
MECHANICAL ENGINEERING
19th to 24th APRIL 2021

Report

Hand on workshop on Virtual Robotics Organized by Department of Mechatronics Engineering, Sathyabama Institute of Science and Technology, Using virtual Robotics Toolkit and LabVIEW EV3Mindstorm the following project were done, the following points have discussed during the program Move forward 2000 degree/speed 50/ Break. Move backward 2.5 sec/ speed-100/coas, Move forward 4sec/speed50/break,move Forward 1000 degree/speed50/break,Make a square of 1000 degree using point turn and swing turn, Project on touch sensor and ultrasonic sensor, colour sensor, gyro sensor, Project on switch case and line follower.From school of mechanical engineering 11 staff members and 24 students have participated.

Report on 5 days webinar on “Decoding Entrepreneurship”

1. Col.Dr.Jeppiaar Research park, Technology Business Incubator & School of Management Studies of Sathyabama Institute of Science and Technology, in association with Tamilnadu Advanced Technical Training Institute (TATTI) is organising a 5 days webinar series on "Decoding Entrepreneurship" from 7th – 11th December 2020 (6.30 – 7.30 pm)
2. This webinar was designed to be thought provoking to the participants to tinker their ideas throughout current lockdown situation, and channelize it towards their entrepreneurial journey.
3. Approximately 300 participants were registered for the program.

Report on Webinar on “Innovation & Entrepreneurship”

Col.Dr. Jeppiaar Sathyabama Technology Business Incubator in association with Institute Innovation Council organized a Webinar on “Innovation & Entrepreneurship in Engineering” on 2nd November 2020. Dr. S.Seshadri was the speaker for the webinar.

Almost 200 students were participated in this program, The webinar focused on how and Innovation & Entrepreneurship in Engineering can be achieved and the importance of being creative.

The screenshot displays a Zoom webinar interface. The main presentation slide is titled "Industrial Revolution" and illustrates the progression from Industry 1.0 to Industry 4.0. The slide content is as follows:

Industry	Time Period	Key Technologies/Concepts
INDUSTRY 1.0	1704	Mechanization, steam power, weaving mills
INDUSTRY 2.0	1870	Mass production, assembly line, electrical energy
INDUSTRY 3.0	1959	Automation, computers and electronics
INDUSTRY 4.0	TODAY	Cyber Physical Systems, Internet of things, networks

On the right side of the interface, a "Participants (128)" list is visible, showing a search bar and a list of names with status icons. At the bottom, the Zoom control bar includes buttons for "Unmute", "Start Video", "Security", "Participants", "Chat", "Share Screen", "Pause/Stop Recording", "More", and "End".

Online International Workshop for Faculty Development on CRISPR/Cas9 Human Genome Engineering: Basics and Applications

Centre for Professional and Career Advancement, Centre for Drug Discovery, Sathyabama Institute of Science and Technology and Development and University of Westminster jointly organized the six days Online International Workshop for Faculty Development on CRISPR/Cas9 Human Genome Engineering: Basics and Applications from 24th Aug 2020 to 29th Aug 2020. Five most renowned eminent scientist from University of Westminster- Dr Kalpana Surendranath, Dr John J. Murphy, Dr Kanagaraj Radhakrishnan, Nadeen Solaiman and Ahmed Sidali were given training to the participants on CRISPR/Cas9 technology. Totally 400 participants were registered and participated in the workshop. This course was aimed at researchers with basic understanding about CRISPR-mediated tools and other aspects of genome engineering, from basic biology to technology development. The workshop was focused toward researchers at all levels of training who have a keen interest in learning more about CRISPR/Cas9 technology. The workshop takes a closer look at the origins and basic principles of genome editing technologies, applications of genome engineering for human therapeutics, including case studies like- Generation of a cellular model for investigation of a newly identified cancer driver gene and Validation of genome editing by Sanger sequencing and/or next-generation sequencing methods. The mind storming talks on *CRISPR* in infectious disease biology research and diagnostics and CRISPR towards Clinic: emerging clinical applications of CRISPR/Cas9 as promising strategies in gene therapy and disease correction.

REPORT

International Online Faculty & Student Development Programme on “Translational and Interdisciplinary research in human Diseases Management”

Centre for Drug Discovery, organized the six days **International Online Faculty & Student Development Programme on “Translational and Interdisciplinary research in human Diseases Management”** from 24th July 2020 to 30th July 2020. Totally 400 participants were attended this event. This program in a Joint program organized by Sathyabama-Chennai and SBS, NTU, Singapore supported by the MHRD-SPARC project. The worlds most renowned scientist were guest of speakers in this event and a mind storming sessions were organized by the team and successfully completed. The program was started with welcome address by **Dr. B. Sheela Rani**, Director- Research and our Hon'ble Vice-Chancellor-**Dr.T.Sasipraba** inaugurated the program. The keynote address was given by Pro- Chancellor-**Dr. Wilson Aruni** and vote of thanks was given by **Dr.Krupakar Parthasarathy**, Scientist E, CDDD. On day first 24/07/2020 two eminent scientist **Prof. Kini Manjunatha**, Dept. of Biological Sciences, NUS, Singapore enlighten the participants by his talk on topic “*From toxins to Therapeutics: Nature inspired*” and **Dr. Anirban Bhunia**, Associate Professor, Bose Institute, Kolkatta, India elaborated his view on “*NMR and Biophysical Techniques in Drug Discovery of Type 2 Diabetes*”. On day two **Dr. M. Shaillender**, IQVIA Asia has given talk on “*Interdisciplinary Research: Data Science, AI in Healthcare Technologies*” and **Dr. S. Seshadri**, Coordinator SIST-TBI, Chennai highlighted the “*Importance of Interdisciplinary Research in Innovation and Commercialization*”. On day three **Dr. M. Elavazaghan**, CEO, PrEls Biotech has given special lecture on topic- “*Redefining the Paradigms of Scientific Entrepreneurship*” and **Dr. K. G. Sreejalekshmi**, Indian Institute of Space Science Technology, Trivandrum has over view on “*Space Biosciences: The Prospective and Opportunities for Research in the Indian Contest*”. On day four **Dr. Sreekanth Rajan**, Scientist, NTU, Singapore has given special lecture on “*Towards Parkinson's diseaseTherapeutics-A Structural Biology Perspective*” and **Dr. V. Haribalaji**, CEO, VivagenDx & DUKE-NUS has given insights on “*CoVID-19: Virus Specific Immune Response*”. On day five **Dr. Goran Biukovic**, NTU has given a special talk on “*Central stalk domain is a new key component of mycobacterial F-ATP synthase in drug targeting*” and **Dr. C.S. Sripriya**, MD MMC, VDRL, Chennai elaborated “*CoVID-19 Diagnostics from a Clinician Perspectives*”. On day six **Dr. Anthony Chua**, CEO, Stratificare has given special talk on “*Bench to Beside Approaches for Dengue and CoVID-19*” and **Dr. K. Anandhi**, inStem, NCBS, Bangalore has shared her views and prospective by delivering a lecture on topic- “*The Bangalore Life Science Cluster (BLiSc) Diagnostic Efforts in CoVID-19 Management*”

Webinar on “Entrepreneurship 101”

Nature of the Event	Live Webinar
Topic	Entrepreneurship 101
Date(s) & Time	29/06/2020 & 3:00 Pm to 4:00 Pm
Resource Person	Mr. Arpith Kumar
No. of Participants	196
Nature of Participants	Students / Faculty
Zoom ID / Venue	982 0833 2993 / 259779

A live webinar on “**Entrepreneurship 101**” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **29th June 2020** from **3pm to 4pm**. **Mr. Arpith Kumar, Managing Director, Abeloff Media, Brazil** delivered the talk. A total of 196 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on Entrepreneurship and they were able to inculcate the insights of it. The speaker presented the session with interesting facts and highlights. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of Entrepreneurship.

Jointly with
SCHOOL OF MANAGEMENT STUDIES

Six week Certificate course on
"Innovation, Entrepreneurship and Employability"
Starts from 22nd June' 2020

AIM AND SCOPE OF THE COURSE

As each of us navigates the impact of COVID-19 on our lives, we hope that you can find comfort in the strength of Sathyabama Institute of Science and Technology. During this time we remain as passionate as ever about helping you learn, grow and connect with learners. Sathyabama- TBI, Sathyabama Institute of Science and Technology proposes to offer 6 week certificate program on "Innovation, Entrepreneurship & Employability"

Startups the need of the hour. Entrepreneurship is very important for a growing economy like India since we need more jobs and more businesses to reach our dream of five trillion economy in 2024 so as to reach the world's highest economy. In this drive, we cannot deny the importance of startup, a good startup ecosystem is very much needed for a growing economy like India.

The goal of this program is to provide a broader understanding for both self-discovery and opportunity discovery. You will discover your strengths in terms of an entrepreneur and learn the basics on Innovation, Entrepreneurship, value proposition, prototyping, competition analysis, early customer insights and financing the start-ups. By the end of this course, you'll be able to work out a strategy to start your journey as an Entrepreneur.

COURSE CONTENT

Module 1 : Self Discovery & Value Systems
Identify personal strengths and value systems: safe work habits, achievement motivation, time management, anger management, stress management; SWOT analysis; Effectuation

Module 2 : Entrepreneurship Basics & Opportunity
Concept Introduction (Characteristic of an Entrepreneur); Leadership and teamwork. Problem Solving & Negotiation Skills: Startups, Business Opportunities Identification, Communication skills; Risk taking, Entrepreneurship support systems, Successes and Failures in Entrepreneurship.

Module 3 : Problems, Ideas & Solutions
Discovering Ideas: Mind Mapping; Creative Thinking; Invention, Innovation pipeline, Idea Evaluation; Design Thinking; Problem Solution Fit

Module 4 : Prototyping & Knowledge Protection
Prototyping, MVP, Product Market fit, Channel Product Fit; Intellectual property right for Startups

Module 5 : Operations & Market Study
Business Plans, BMC, Goal setting, Financing your Business, Enterprise management, Market Research, 4Ps of marketing, Segmentation & Target, Niche Marketing, CRM, Compliances, Taxes and Legal Issues

TARGET PARTICIPANTS

This course is targeted for those who are interested to explore Entrepreneurship. Both the working professionals, Students and Faculties of any college/University can apply for the course.

ELIGIBILITY

This is a specially structured course for professionals and academicians who want to explore Entrepreneurship. This program is intended for UG, PG, Ph.D Students and faculty members of any University/Research Centres. The fully online course starts from 22nd June' 2020. Certificate will be issued upon successful completion of the course with all formalities and requirements.

ABOUT SATHYABAMA-TBI

Sathyabama-TBI was established during the year 2013 with the support of National Science & Technology Entrepreneurship Development Board, Department of Science & Technology (NSTEDB-DST). The vital reason of establishing TBI at Sathyabama Institute of Science and Technology is on the basis of its accessible potential resources. We are strong in Research and Development, Technology-Innovation, up gradation of findings and their subsequent relocation to the respective domains in the thrust area.

No matter, what sector your innovation represents, we nurture them with funding opportunities through various Govt schemes for every stage of the idea; by providing mentorship, by helping with networking; by supporting with physical space, IP support and enabling other support services & intern resources thereby hand-holding till you are ready to fly.

COURSE FEE

Fees : Rs. 1000/-
Payment through online banking
(Limited Seats, Registered participants will be intimated through E-mail)

IMPORTANT DATES

Last Date to Apply – June 20th, 2020
Start Date – June 22nd, 2020

Report on Online Certificate Course On Innovation, Entrepreneurship & Employability”

1. Col.Dr.Jeppiaar Research park, Sathyabama-Technology Business Incubator, Jointly with School of Management Studies, organized this 6 week online certificate course in “Innovation, Entrepreneurship & Employability” in association with NSTEDB.
2. This course is one of its kind, since it was aligned with the MHRD NISP (National Innovation and Startup Policy 2019 for Students and Faculty)
3. The goal of this program is to provide a broader understanding for both self-discovery and opportunity discovery. You will discover your strengths in terms of an entrepreneur and learn the basics on Innovation, Entrepreneurship, value proposition, prototyping, competition analysis, early customer insights and financing the start-ups. By the end of this course, you’ll be able to work out a strategy to start your journey as an Entrepreneur.
4. The total duration of this certificate program is 35 hours, which involves 25 hours of teaching and 10 hours of assignment work
5. 19 participants have undergone this Online Course.

August 2020

Two months Special Course on “Hands on Skills using Remote Sensing and GIS”

20th June 2020 to 15th August 2020

Organized by:

Center for Remote Sensing and Geoinformatics

Sathyabama Institute of Science and Technology, Chennai

Date: 20th June 2020 to 15th August 2020

Two months Special Course on “Hands on Skills using Remote Sensing and GIS” was organized and conducted by Centre for Remote Sensing and Geoinformatics (CRSG) team of Sathyabama Institute of Science and Technology, Chennai from June 15th to August 15th through online mode as it was during Covid 19 Pandemic time.

The program aimed at awareness creation in the field of RS and GIS technology applications. Around 40 participants attended the special course. The main aim of the job oriented course was to produce qualified, motivated students who have been trained in GIS, Remote Sensing, GPS and all the related state of the art technologies

The Centre successfully conducted the two months certificate course on 'Hands-on using RS and GIS' with applications of RS & GIS in Oceanography, Geology, Atmospheric Sciences, Water resources, Agricultural Sciences and various other related fields. The program also focused on the specific applications according to the needs of participants. The Program helped the participants to understand and learn about the applications of RS and GIS in real time situations.

The course gave state of the art concept and practice of remote sensing and GIS to the learners. The course covered from fundamentals of Rs and GIS to advanced methods. The course gave comprehensive understanding on solving RS & GIS research problems in wide areas of application. The modules were designed with hands on experience to develop the skills of participants to equip them for project and research work. The course used open source software QGIS for practical applications which is freely available. Each participant was assigned a practical project work according to their field of interest with the support of mentor from CRSG, SIST. After learning the software the participants worked on the project with the directions of the mentor and finally they presented their project work. Some of the participants made publications also from their projects.

Organizes
2-Month Special Course on
"Hands-on Skills Using
Remote Sensing and GIS"
June 15, 2020 - August 15, 2020

AIM AND SCOPE OF THE COURSE

As each of us navigates through the impact of COVID19 in our life, Centre for Remote Sensing and Geoinformatics (CRSG) makes sure that you can find comfort in the strength of Sathyabama Institute of Science and Technology. During this time, CRSG remains as passionate as ever about helping you learn, grow, and connect with learners. CRSG, Sathyabama Institute of Science and Technology proposes to offer a two month special course on "Hand-on skills using Remote Sensing and Geographic Information System (GIS)". Remote Sensing and GIS is an emerging field and trained professionals are in great demand in various sectors including mining, infrastructure, construction, ground water, civil engineering etc. This course intends to offer the state-of-the-art concepts and practices of remote sensing and GIS to the learners. It starts with the fundamentals of remote sensing and GIS with subsequently advanced methods will be covered. This course is designed to give comprehensive understanding on the application of remote sensing and GIS in solving the research problems.

The program is designed to accommodate Engineering and science students and researchers to learn the fundamentals and use of open source software for practical applications. The course is designed with hands on training to enhance the skills of students to equip them for project work or research work. This special course will make use of the expertise of the existing faculty and will take the support of industry to complement the openings & opportunities for students in all allied disciplines. Although the program is mainly for students, this program can help working professionals as well. As it is a fully online programme participants can attend from their convenient location and some flexibility in timings also can be accommodated.

COURSE CONTENT

Module I: Fundamentals of Remote Sensing

- Introduction of Remote Sensing
- Platforms and Remote sensing sensors
- Thermal Remote Sensing
- Microwave Remote Sensing
- Applications of Remote sensing
- Geophysical parameters retrieval

Module II: Fundamentals of Geographic Information System

- Introduction to GIS: Definition and Usefulness of GIS Components of GIS Computer Hardware, Software Modules and Organizational context of GIS.
- Introduction to Data Types-Map projections and Datum-Introduction to Scales and Toposheets - Introduction Digital Image Processing - Image Rectification - Introduction to Image enhancement - Introduction to Image Interpretation - Elements of Visual Interpretation
- Spatial Analysis and Map Design : Characteristic of Spatial Data - Spatial data storage - Manipulation and analysis - GIS data quality - Simple Data Retrieval, Conversion vector to raster data, Map Overlaying, GIS Applications. Map Production - Map design components and Map Composer
- Methods of Spatial Interpolation: Methods of Interpolation - Surface Interpolating - Kriging to Large Areas - Procedure for Setting GIS- Statistics Areas.
- Digital Elevation Modelling: Need for Three Dimensional Models Methods of DEM Products of DTM (Contour Maps, Shaded Relief Map, Maps Related to Slopes, Line Sight Maps, Drainage Analysis, Volume Estimation etc.) Usefulness of DEM/DTM.
- GPS: Concepts of GPS GPS Instruments Applications of GPS. GPS and GIS integration Connecting and Navigating with GPS Editing and Exporting the data into GIS environment Vehicle Tracking.

Module III: Applications of Remote Sensing and GIS in various fields

- Climate studies
- Coastal zone mapping
- Mangrove wetlands
- Natural Resource Management
- Land use mapping
- Flood mapping
- Agriculture
- Water resources
- Paleo - Climatic Studies

Module IV: Online Pilot Projects guided by the Instructors

ELIGIBILITY

This is a specially structured course for professionals and academicians who want to learn GIS and Remote Sensing. This program is intended for UG, PG, PhD students and faculty members of any University /Research Centres. The fully online course starts from July 2020. Certificate will be issued upon successful completion of the course with all formalities and requirements.

COURSE FEE

Fees :Rs. 1000/-

HOW TO APPLY

Fill the applications in the given online application form link to register for the certificate course.

COLLABORATION

This course has been organized in academic collaboration with Department of Civil Engineering, Sathyabama Institute of Science and Technology and external collaborations with

- IIT Madras
- Anna University
- University of Madras
- Bharathi Womens college (University of Madras)

ABOUT THE CENTRE

Centre for Remote Sensing and Geoinformatics (CRSG) has been established during 2004 in the Sathyabama University campus as a joint initiative of Indian Space Research Organization (ISRO), Government of India and Sathyabama University. This Centre was inaugurated by Dr.K.Kasturirangan, the former ISRO Chairman and Secretary of Department of Space, Government of India. The CRSG focus

development of "Centre for Excellence" through novel research approach on a long term and policy-oriented research studies in the area of Remote Sensing and Geographical Information System (GIS).

CRSG is one of the nodal Centre for conducting training programs in India identified by NRDMs and NNRMS. CRSG has acquired 28 projects and 11 consultancy projects from various funding agencies. CRSG is a spearhead of ISRS Chennai Chapter.

COURSE DURATION AND STRUCTURE

The course is for 2 months duration, comprising of four modules. The first and second module is common to all the participants, which deals with Geospatial Technologies focusing on Fundamentals of Remote Sensing & GIS. In the third module, the participants will be exposed to application of geospatial technologies in their respective specialisations. Participants will carry out a pilot project in the fourth module. The number of hours devoted to each module for its theory and practicals is given in the Table below:

Modules	Total theory classes	Total Practical classes	Overall hrs for each module
Module 1	5 hours	5 hours	10 hours
Module 2	6 hours	12 hours	18 hours
Module 3	Various Applications using RS and GIS	-	10 hours
Module 4	Participants do mini projects	-	10 hours

TARGET PARTICIPANTS

This course is targeted for those who are interested to learn about the Remote Sensing and GIS technologies and their applications in various fields of science and

Timetable of the program

PROGRAMME SCHEDULE – 2 MONTHS SPECIAL COURSE ON “HANDS ON SKILLS USING REMOTE SENSING AND GIS”

Date	Time	Topic	Theory/Practical	Speaker
MODULE 1				
15-06-20	2-00-3.00 PM	Introduction of Remote Sensing	Theory	Dr.K.Nagamani
16-06-20	2-00-3.00 PM	Platforms and Remote Sensing Sensors	Theory	Mrs.P.Mohana
17-06-20	2-00-3.00 PM	Thermal Remote Sensing	Theory	Dr.Anoop Kumar Mishra
18-06-20	2-00-3.00 PM	Microwave Remote Sensing	Theory	Dr.Anoop Kumar Mishra
19-06-20	2-00-3.00 PM	Applications of Remote Sensing	Theory-Practical	Dr.MarykuttyAbraham
Saturday & Sunday no classes				
22-06-20	2-00-3.00 PM	Satellite Data Downloading	Practical	Dr.K.Nagamani
23-06-20	2-00-3.00 PM	Remote Sensing Sensors usage	Practical	Mrs.P.Mohana
24-06-20	2-00-3.00 PM	Geophysical Parameters Retrieval	Practical	Dr.Anoop Kumar Mishra
MODULE 2				
25-06-20	1-00-3.00 PM	Introduction to GIS: Definition and Usefulness of GIS Components of GIS Computer Hardware, Software Modules and Organizational context of GIS.	Theory	Dr.K.Jayakumar
26-06-20	10-3.00 PM	Introduction to Data Types-Map projections and Datum- Introduction to Scales and Toposheets - Introduction Digital Image Processing - Image Rectification - Introduction to Image enhancement -	Theory	Mrs.P.Mohana

		Introduction to Image Interpretation - Elements of Visual Interpretation		
Saturday & Sunday no classes				
29-06-20	2-00-3.00 PM	Spatial Analysis and Map Design - Characteristic of Spatial Data - Spatial data storage - Manipulation and analysis - GIS data quality - Simple Data Retrieval, Conversion vector to raster data, Map Overlaying, GIS Applications- Map Production- Map design components and Map Composer	Theory	Dr.K.Nagamani
30-06-20	2-00-3.00 PM	Methods of Spatial Interpolation: Methods of Interpolation Surface Interpolating- Kriging to Large Areas - Procedure for Setting GIS- Statistics Areas.	Theory	Dr.K.Nagamani
01-07-20	00-3.00 PM	Digital Modelling: Need for Three Dimensional Models Methods of DEM Products of DTM (Contour Maps, Shaded Relief Map, Maps Related to Slopes, Line Sight Maps, Drainage Analysis, Volume Estimation etc.) Usefulness of DEM/DTM.	Theory	Mrs.P.Mohana
02-07-20	2-00-3.00 PM	GPS: Concepts of GPS, GPS Instruments Applications	Theory	Dr.K.Jayakumar

		of GPS, GPS and GIS integration Connecting and Navigating with GPS Editing and Exporting the data into GIS environment Vehicle Tracking.		
03-07-20	2-00-3.00 PM	GIS PRACTICALS	Practical	Dr.PrabhuDassBatwari
Saturday & Sunday no classes				
06-07-20	10-3.00 PM	GIS PRACTICALS	Practical	Dr.PrabhuDassBatwari
07-07-20	2-06-3.00 PM	GIS PRACTICALS	Practical	Dr.PrabhuDassBatwari
08-07-20	2-06-3.00 PM	GIS PRACTICALS	Practical	Mr.Pushparaj
09-07-20	2-00-3.00 PM	GIS PRACTICALS	Practical	Mr.Pushparaj
10-07-20	2-06-3.00 PM	GIS PRACTICALS	Practical	Mr.Pushparaj
Saturday & Sunday no classes				
13-07-20	2-00 PM	GIS PRACTICALS	Applications	Dr.PrabhuDassBatwari
14-07-20	2-00 PM	GIS PRACTICALS		Dr.PrabhuDassBatwari
15-07-20	2-00 PM	GIS PRACTICALS		Dr.PrabhuDassBatwari
16-07-20	2-00 PM	GIS PRACTICALS		Mr.Pushparaj
17-07-20	2-00 PM	GIS PRACTICALS		Mr.Pushparaj
Saturday & Sunday no classes				
20-07-20	2-00 PM	GIS PRACTICALS		Mr.Pushparaj
MODULE 3				
21-07-20	2-00 PM	Climate studies	Applications	Dr.Anoop Kumar Mishra
22-07-20	2-00 PM	Coastal zone mapping	Applications	Dr.K.Nagamani
23-07-20	2-00 PM	Mangrove wetlands	Applications	Dr.K.Jayakumar
24-07-20	2-00 PM	Natural Resource Management	Applications	Dr.PrabhuDassBatwari
Saturday & Sunday no classes				

27-07-20	2-00 PM	Land use mapping	Applications	Dr.MarykuttyAbraham

Glimpse of the Program

ENERGY INTERACTIONS IN THE EARTH'S ATMOSPHERE

Mie Scattering:

- which occurs when the wavelengths of the energy is almost equal to the diameter of the atmospheric particles
- longer wavelengths also get scattered compared to Rayleigh scatter

The diagram shows three types of scattering: Rayleigh scattering (small particles, short wavelengths), Mie scattering (larger particles, all wavelengths), and non-Mie scattering (very large particles, all wavelengths). The direction of incident light is indicated by an arrow.

Bhuvan Applications - Sectors

The screenshot shows the Bhuvan Applications - Sectors web application. The interface includes a sidebar with navigation options for Agriculture, Forestry, Urban, and Rural. The main content area displays a grid of application icons for various sectors, including Agriculture, Forestry, Urban, and Rural. The application is designed to provide a platform for users to access and manage their data and applications.

Integration of RS & GIS

- Separate but equal
- Seamless integration
- Total integration

The diagram shows a 3D stack of data layers representing the integration of RS and GIS. The layers are labeled from top to bottom: Topography, Forests, Zoning, Land cover, Soil, Survey, and Computer mapping. The layers are shown as separate but interconnected, illustrating the process of integrating different types of spatial data.

Workshop on “IPR for Innovation and Startup”

Nature of the Event	Workshop
Topic	IPR for Innovation and Startup
Date(s) & Time	13/03/2020
Resource Person	Mr.Akilan, Deputy Controller of Patents and Designs Mr. Chinnaraja Naidu, Deputy Registrar of Geographical Indications
No. of Participants	65
Nature of Participants	Students
Venue	Smart Classroom

Institution and Innovation council and Department of Information Technology, School of Computing organised a one-day workshop on “IPR for innovation and startup” on 13th March, 2020 for all the students. The resource person Mr.Akilan, Deputy controller of Patents and Designs and Mr. Chinnaraja Naidu, Deputy Registrar of Geographical Indications. Intellectual Property Office made the session very interactive by involving the students for discussion about patent details. The speakers enlightened the students with lots of informative details regarding in the present scenario.

Session 4: 2 pm to 3 pm
Patent Filing Procedures.

(Open for all Engineering, Management Students and Faculty)

FACEBOOK CONTENT FOR THE WORKSHOP CONDUCTED ON 06.03.2020

Department of Mechanical Engineering, School of Mechanical Engineering has organized a one-day Workshop on the title “**Intellectual Property Rights**” on 06.03.2020. The Resource person Dr. Ram Jawahar, Deputy Director, Patent office, Chennai has presented the topic from the importance of Patents and filing procedures with proper case studies. The young students from Mechanical Engineering and Mechatronics Engineering have attended the program and have got the necessary inspiration and guidance. Definitely this type of program will encourage and guide in patent filing during the final year Project phase and be useful in their quality Engineering profession. The reflected happy faces of participants, who attended form years II, III and IV, signified the success of the IPR workshop, and we sincerely thank Mr. Ram Jawahar for his inspirational technical lectures during the sessions.

Two Days on Hands Workshop
Program
on
" Composite Materials and Structures"
12-13th February 2020

Student Development Club of Aeronautical Engineering and Department of Aeronautical Engineering has conducted "Two Days Hands on Workshop on Composite Materials and Structures".

The Two Days Hands on Workshop on Composite Materials and Structures by Er.Gopalsamy Murugesan, JSSR Engineering Works on 12-13th February 2020. Around 70 students were benefited from this Workshop and understood the various methods of composites fabrication and Aerofoil modelling.

Composite materials are widely used in the aviation industry, and for good reason; their unique properties let engineers overcome design obstacles that would be otherwise impossible to solve. Common composite materials include fiberglass, carbon fiber, and fiber-reinforced matrix systems. Fiberglass is the most common and was first widely used in boats and automobiles in the 1950's, the same decade Boeing introduced the material in its passenger jets. Today, aircraft structures are often made up of 50 to 70 percent composite materials. While composite materials have many advantages, there are also some detractors that fear they pose a safety risk in aviation. In this blog, we will break down the greatest pros and cons for composite materials in aviation.

The greatest advantage that composite materials enjoy is how little they weigh. Composite materials can drastically cut down on the weight of an aircraft, which leads to better performance and improved fuel efficiency. Fiber-reinforced matrix systems are often stronger than traditional aluminum in most aircraft, and provide a smoother, more aerodynamic surface, which also improves performance and fuel efficiency. Composite materials do not corrode as easily as other structure types, and they do not crack from metal fatigue the way aluminum does. Instead, they flex, which lets them last longer than metal, which means lower maintenance and repair costs.

SATHYABAMA
INSTITUTE OF SCIENCE AND TECHNOLOGY
(DEEMED TO BE UNIVERSITY)
(Established under Section 3 of the UGC Act, 1956)
Accredited with 'A' Grade by NAAC

However, the greatest disadvantage of composite materials is that they do not break easily. This may seem oxymoronic, but this means that it is difficult to tell that the interior structure of the aircraft has been damaged. Because aluminum bends and dents more easily, it is easier to detect a need for repairs. Composite materials are also more difficult and more expensive to repair than metals, although it can be argued that the long-term savings of using a more resilient material off-set this cost.

Another issue that the resin used in composite materials weakens at temperatures around 150 degrees Fahrenheit, making it necessary to take extra precautions against fires. Burning composite materials can release toxic fumes and micro-particles into the air, both of which are serious health risks. At temperatures above 300 degrees, structural failure can occur.

It was a fun experience for each and every candidate present at the workshop and was an memorable workshop with Hand-On Experience and making of Prototype In a way Industry works.

Seminar on Model-Based Development of Electric Power – Train

On 13th January, 2020 a Seminar on Model-Based Development of Electric Power – Train conducted by the School of Mechanical, Department of Automobile engineering, Sathyabama Institute of Science and Technology, Chennai. Mr.M.Sajeeth, C.E.O, Sirius Motorsports India Pvt Ltd was the resource person. The number of students participated in the seminar is 63. This talk is mainly focused on the techniques to develop model based electric power train.

About Sathyabama Institute of Science and Technology

Sathyabama Institute of Science and Technology formerly known as Sathyabama Engineering College was established in 1987 by Col. Dr. Jeppiaar. It is a premier institute imparting knowledge in the areas of engineering, science, technology and education. The University has been awarded Category "A" University by Ministry of Human Resources Development (MHRD), Government of India and accredited by NAAC with Grade "A" for its exemplary education for 31 years. The Sathyabama Institute of Science and Technology (Deemed to be University) offers 27 programmes at UG level and 41 programmes at PG level in all disciplines. Untiring efforts of management, staff, And students along with positive academic ambience had made University to be ranked as 2nd among Private Universities in Tamilnadu by National Institutional Ranking Framework, Ministry of Human Resource Development, Govt of India. University also declared as one among the top 31 deemed to be Universities by the Times Higher Education Ranking.

ABOUT THE WORKSHOP

This workshop aimed to train the participants in the current and relevant practical issues in preparation and filing of a patent application and other rights of copyright, Industrial designs, Trade Marks and PCT applications. This programme provide theoretical and practical fundamentals of individual component of IPR documentation, preparation and filing at various Indian Patent Offices. The course content are framed with the following objectives:

- To gain immense knowledge on IPR's and Indian IP Acts and Rules.
- To transform the innovative research works into patents.
- To carry out effective IPR Search and documentation.
- To frame and develop IPR drafting skill for Indian and International patents.
- To interact with IPR officials, Govt. of India for effective patent document preparation.

Overview of workshop

Introduction to Intellectual Property Rights;
IPR Search and Documentation;
Introduction to Copyright and Trademarks;
PCT Application and Licensing of Patents.

An overview of IPR laws, Rules and Acts.
Patent Drafting and Filing.
Procedures for Applying Industrial Designs;

Participants

- Academicians, Research Scholars, Students, Entrepreneurs, Scientists, Startups, etc.
- Industry Professionals & Legal Professionals.

Registration Fees: Students: Rs. 500/-, Faculty/Research Scholars: Rs. 1000/-

INTERNATIONAL CONFERENCE ON INTELLECTUAL PROPERTY RIGHTS AND INNOVATION MANAGEMENT

Thursday 12th September to Saturday 14th September 2019

About the Conference

Creativity and innovation are new drivers of every economy. Intellectual Property Rights (IPRs) plays a vital role in enhancing the socio-economic prosperity of every country. International Conference on Intellectual Property Rights and Innovation Management is scheduled to be held on 12th, 13th and 14th of September 2019. The objective of the conference is to impart greater awareness about Intellectual Property Rights. To understand patentability criteria and viable aspects of the patent and to create an advance level of IP awareness. Lawyers and scientists are the two sides of the coin in the field of intellectual property. The planned conference is holistic in its scope covering the aspects of property Rights relevant to researchers, scientists, farmers, business planners, lawyers, teachers, academicians and different stakeholders. The conference maintains inter disciplinary focus and welcomes presenters and attendees with expertise in Law, business management, technology, engineering, humanities and Social Sciences. Academicians, Practitioners seeking a stimulating opportunity to learn and share the latest research, best practices, theories and insights in the mentioned themes should attend. The conference shall be a platform for providing and receiving constructive feedback on research progress.

Patrons

Col. Dr. JEPPIAAR M.A., B.L., Ph.D

Founder Chancellor

Dr. Marie Johnson B.E., M.B.A., M.Phil., Ph.D

President

Dr. Mariazeena Johnson B.E., M.B.A., M.Phil., Ph.D

Chancellor

Dr. S. Sundar Manoharan Ph.D

Vice Chancellor

Organizing Secretary

Dr. T. Sasipraba

Pro Vice Chancellor

Phone : +91-44-2450 3065 ; Fax: +91-44-2450 3814

Email ID : provc@sathyabama.ac.in

: icipr2019@gmail.com

Convener

Dr. Dilshad Shaik, Dean, School of Law.

deanlaw@sathyabama.ac.in, Mobile: +91 9849000331

For more details contact

Dr. N. Kannan :

Ms. Sofiya : +91-9176515554

Dr. T. Ambika : +91-9786963697

Mr. Mohammed Salihu : +91-8012329352

Conference Themes

- ★ IPR Concepts and Issues
- ★ IPRs and Knowledge Driven Economies
- ★ IPRs and the Enforcement Mechanism
- ★ International Protection and IPRs
- ★ IPRs and Innovation
- ★ Intellectual Property -Science& Technology
- ★ Intellectual property rights -patents
- ★ Innovation Management

Topics related to
Intellectual
Property rights
other than the
above mentioned
themes are also
welcome.

Publication

All submissions will be screened for plagiarism. Only the qualifying submissions will be peer-reviewed and the registered papers presented in the conference will be published depending on the originality, quality, relevance and other editorial considerations with additional processing charges.

Virtual Presentation (Exclusively for international participants)

Researchers from abroad are encouraged to make use of virtual presentation opportunities. For more details, please contact through icipr2019@gmail.com

Important Dates

Abstract Submission : 19th August, 2019
Intimation of Acceptance : 20th August, 2019
Submission of Full Paper : 31st August, 2019
Last Date for Registration : 26th August, 2019
Conference Dates : 12th to 14th Sep' 2019

Call for Papers

Authors are requested to submit abstract within 300 words with 5 keywords of their original and unpublished research work on or before 19th August 2019 via email through icipr2019@gmail.com. Acceptance of peer reviewed abstracts will be intimated through email for the submission of full manuscript on or before 31st August, 2019.

Registration Fee

Delegates Category	Fees
Students / Scholars / Academicians	INR 3000
For Industry	INR 4000
For Foreign delegates	\$50

For participation in conference - INR 1000

Mode of Payment :

Registration fee is accepted through: Demand Draft in favor of "Dean (Publications & Conferences) Sathyabama University" payable at Chennai, INDIA.

International wire transfer can be made favoring: Account Name "Dean (Publications & Conferences) Sathyabama University", Account Number 891734627, IFSC Code IDIB000T020, SWIFT Code IDIBINBBTLT, BRANCH CODE 098, Branch Address : Indian Bank, Thousand Lights Branch, Chennai - 600 006, India.

NOTE: Mention ICIPR2019 after your name in the Remarks column while transferring money online

Accommodation:

Accommodation for research scholars and participants will be arranged in University Hostels as per the request (first come first serve). For both Indian and foreign participants those who are interested to stay in hotels will be arranged on payment basis.

For other details please visit : www.icipr2019.com

ABOUT THE WORKSHOP

Millions of tons of agricultural waste are generated in our country every day. A large portion of this waste is disposed of conventionally by burning. Such farm based burning, which is incomplete, emit significant amounts of the toxic pollutant dioxins. Biomass is one of the renewable resources found in abundant quantity which can be converted into more reformed resources. Utilization of agricultural waste is very important concern especially when the world scenario of energy demand gap is being reported. The effective utilization of biomass as an alternative source of energy production as well as converting the biomass into some commercial products can lessen the gap.

The primary aim of National Workshop on Agricultural Waste Utilization for Sustainable Environment -2018 is to demonstrate and exercise in detail the various applications in the field of biomass conversion and forecast the production potential of agricultural biomass. The workshop includes the following factors of scope of the consumption of agricultural wastes in terms of energy such as production of solid biofuels, conversion of biomass into compost and utilization of waste for mushroom cultivation. The workshop would motivate the young minds to take up the issue of effective waste utilization. With a bit of foresight and investment, a good portion of the agriculture waste can be converted into something of value. There is surely an opportunity for entrepreneurs to think up a business model that can make a difference and make money!

Organizing Members

Dr.C. VALLI NACHIYAR
Dr.JAYSHREE NELLORE
Dr.S. KARTHICK RAJA NAMASIVAYAM
Dr.M. MASILAMANI SELVAM
Dr.ANTONY V. SAMROT
Dr.M. BAVANI LATHA
Dr.J.V. REJI

Dr.S. SUDHA
Dr.S. USHA NANDHINI
Dr.R. THYAGARAJAN
Dr.P. PRAKASH
Ms.D. SUBHASHINI
Ms.P. RAJI
Mr.G. NARENDRA KUMAR
Ms.K. RENUGADEVI

REGISTRATION FEE

Registration fee – Rs.1000.00

Registration fee should be paid at the earliest by Demand draft drawn in favour of "The Registrar, Sathyabama Institute of science and technology" payable at Chennai.

NOTE

Sathyabama transportation is available from all parts of Chennai (Visit www.sathyabama.ac.in for bus routes).

Registration kit will be provided.

Participants will not be provided TA/DA.

Participants are requested to bring their own lab coats. Participants are requested to make their own arrangement for accommodation.

DAY 1

Inauguration

Key note Speaker

Dr Jaffer Ali BM

Associate Professor & Centre Head,
Centre for Green Energy Technology,
Pondicherry University

Session 1

Vermicomposting

Resource person:

Dr Ilangiam

Dean Research,
Hindustan college of Arts & Science

Session 2

Biological Production

Resource person:

Dr Annam Renuka

Professor,
Dept of Chemical Engg, SUST

DAY 2

Invited talks

Dr Ganeshkumar

Project Scientist II, NIOE, Chennai

Session 3

Biohydrogen Production,

Resource person

Ms Uthralakshmi

Asst Professor, SUST

Session 4

Mushroom cultivation,

Resource person:

Dr Prakash

Asst Professor, SUST

DAY 3

Invited talk

Dr Venkatraman

Senior Scientist, CUBI

Session 5

Bio fertilizer

Resource person:

Dr UshaNandhini

and

Dr Sudha

Assistant Professor, SUST

Valuedictory function

Key note speaker

Dr DeivaSigamani

Asst Professor, Dept of Marine Biology,

Annamalai University

VENUE

One day Workshop
Programon
“Glider, Parachute, and
Aeromodelling" 19th and 20th August
2019

Department of Aeronautical Engineering conducted two days PUSHPAK -2019 and Institute of Aeronautics Astronautics and Aviation (IAAA) Professional Body Program events on “ISRO launch Vehicle Development Program” 19th and 20th August 2019.

Experts for the events include Dr. Dorairaj, Retd Associate Project Director (ISRO), and Dr. Muruganandham, IAAA Chairman (Students). The events will highlight lecturer demonstrations and hands-on training on Glider, Parachute, and aeromodelling.

The event was a grand success with highly motivated students and aviation and space enthusiast. During the event there were lot of doubts addressed and with very high motivation students ever excited to participate in the events here after. There were 84 students who were excited for Aeromodelling and the Seminar as well.

REPORT

Name of the programme :National Symposium on Bio-prospecting from marine resources for biotechnological applications: Opportunities and Challenges (NSBMRB-19)
Organized : Centre for Drug Discovery and Development
Date : 24th and 25th July 2019
Sponsored by Department of Biotechnology (DBT), Government of India

Col. Dr. Jeppiaar Research Park-Centre for Drug Discovery and Developmentorganised a two days National Symposium on Bio-prospecting from marine resources for biotechnological applications: Opportunities and Challenges (NSBMRB-19)” held on 24thand 25thJuly 2019 Sponsored Department of Biotechnology (DBT),Government of India,New Delhi.

In the National symposium washonoured by the presence of top ranking Eminent Scientist and Professor from various university from India,Dr. K.K. Asha, Principal Scientist from The Central Institute of Fisheries Technology- Kerala, Dr. P. Anantharaman Professor from, Annamalai University-Chidambaram, Dr. G. Muralidaran Assistant Professor from Bharathidasan University-Tiruchirappalli, Dr. T. Citarasu Associate Professor from ManonmaniamSundaranar University- Tirunelveli, Dr. Mary Elizabeth Gnanambal, Associate Professor from Sri Ramachandra Institute of Higher Education and Research and Dr.Rajeshkumar S Associate Professor from Saveetha Dental college-Chennai delivered Invited talk on various aspects of Bio-prospecting from marine resources.

More than 80students the students from various University like Pondicherry University-Pondicherry, Karunya Institute of Technology and Sciences-Coimbatore, Vels Institute of Science, Technology and Advanced Studies-Chennai, AMET University-Chennai, , Chettinad Hospital and Research Institute-Chennai, SRM Institute of Science and Technology-Kattankulathur, Presidency College-Chennai, Sri Ramachandra Institute of Higher Education and Research-Chennai, SRM Arts and Science college-Kattankulathur, Sri Sankara Arts and Science College -Kanchipuram, Professor Dhanapalan College of Arts and Science-Chennai and our own students of Sathyabama Institute of Science and Technology–Chennai. In this programme exclusively 7 Lecture section on Bio-prospecting from marine resources by eminent scientist and Oral & Poster presentation section for Research Scholar

Hackathon on Deep Learning

Nature of the Event	Hackathon
Topic	Deep Learning
Date(s) & Time	08/07/2019 to 10/07/2019
Resource Person	Dr.Sambathan
No. of Participants	55
Nature of Participants	Students
Venue	Smart Classroom

The Department of Information Technology, School of Computing feels delighted to present a three days Hackathon on NEURAL NETWORKS (Deep Learning) on behalf of Sathyabama Institute of Science and Technology in association with MGH Lab, a start-up originating from IIT Madras, research park, organized from 8th to 10th of July 2019. The first day is spent introducing over three hundred participants from various departments of our institute with the concept through a seminar by an industry personal, the day has been continued with teaching the students regarding procedures on installation and testing. The students are doing code with lot of enthusiasm to work with live social problems. This inculcates the social responsibility among the students. The Hackathon' 19 contest will be continuing on second and third day. The winners of the Hackathon will be awarded with cash prize and offers of internship with the prestigious company.

This workshop aims to train the participants in the current practical issues in preparation and filing of a patent application, copyright, Industrial designs, Trade Marks and Geographical Indications. This programme will give informations on theoretical and practical fundamentals of individual component of IPR documentation, preparation and filing of IPRs. The course content is framed with the following objectives:

- To gain immense knowledge on IPR's and Indian IP Acts and Rules.
- To transform the innovative research works into patents.
- To carry out effective IPR Search, documentation, filing and granting of IPR.
- To frame and develop IPR drafting skills for Indian and PCT applications.
- To interact with IPR officials, Govt. of India for effective patent document preparation.

Overview of Workshop

DAY	Fore Noon - Session I	Fore Noon - Session II	After Noon - Session III
DAY 1	Registration & Inauguration	An Overview of IPR IPO, Chennai	Patent Search - Practical patent Agent
DAY 2	Identifying, Protecting & Monetising Patents Prof. Feroze Ali, IIT Madras	Patent Specifications Patent Agent	Case studies on Prior Art, Object, Field of Invention Patent Agent
DAY 3	Summary & Types of Claims Patent Agent	Case Studies on Writing Claims Patent Agent	Case studies on Complete Specification Patent Agent
DAY 4	Industrial Design Search Patent Agent	Filing of Design Application Patent Agent	Copyright Application Patent Agent ENTRADA LEGAL
DAY 5	Trademarks Patent Agent ENTRADA LEGAL	Application of Trademarks Patent Agent ENTRADA LEGAL	Geographical Indications IPO, Chennai
DAY 6	Opposition and Working of a Patent IPO, Chennai	Opposition & Licensing IPO, Chennai	PCT Application IPO, Chennai

Participants

- Academicians, Research Scholars, Students, Entrepreneurs, Scientists, Startups, etc.,
- Industry & Legal Professionals, Career Aspirants in Intellectual Property Rights.

Registration Fees

From Industry - Rs. 6,000/- ; Faculty - Rs. 4, 000/- ; Internal Faculty - Rs. 3, 000/- Students - Rs. 2000/-

2018 - 2019 Event : A Faculty Development Program on Research Methodology Tool & Techniques

The event was conducted on 4th January 2019, in the seminar hall. The Program started from 2.00 PM to 3.00 PM with the welcome address by Dr. Mercy Gnana Gandhi. She gave a warm welcome to the Chief Patrons, Patrons and Management Representatives. Azin Shad from B.A. English was asked to give an introduction about the chief Guest Dr. R. Hariharan, Associate Professor, Department of English, Indira Gandhi National Tribal University. There was a total number of 45 participants including our students.

The Chief Guest enlightened the students with his talk on Research Methodology Tool and techniques. He started with the definition of Research Methodology and delved deep into the different techniques that could be adopted for better research. The speaker listed various Data collection tools such as Interviews, focus group discussion, observation, video surveys, Photography, questionnaires, case studies etc and explained the process of each in detail with relevant practical examples. The speaker also gave a wide array of inputs on Research techniques such as survey study sampling methods, site or field visit, Inquiry methods, Brainstorming etc.

Furthermore, the speakers explained the challenges faced on the application of each Research techniques and tools.

The participants were also from different colleges and states where the management provided stay in our campus. On the whole the Program went on successfully creating an interest for the students and staff to use ICT Tools effectively.

ABOUT SATHYABAMA Sathyabama Institute of Science and Technology (A Christian Minority Institution) formerly known as Sathyabama Engineering College was established in 1987 by Dr. Jeppiaar. It is a premier institute imparting knowledge in the areas of engineering, science, technology and education. The institution's progress and contribution to the field of technical education for over two decades resulted in granting Deemed University status on 16th July, 2001. The University has been awarded as Category "A" University by Ministry of Human Resources Development (MHRD), Government of India and accredited by NAAC with Grade "A" in the year 2017, certified with DNV-GL ISO 9001 standard and offering exemplary education from last 29 years.

Sathyabama Institute of Science and Technology with the holy blessings of founder chancellor Colonel Dr. JEPPIAAR, and under the guidance of Tmt. Dr. Remibai Jeppiaar, Chancellor, has been strengthening its developmental activities in bearing fruits of research for betterment of the society. The architects of tomorrow and believers of today's transformation in education; our President Dr. Marie Johnson and Pro Chancellor Dr. Mariazeena Johnson providing the necessary thrust in all the development activities of the University. Dr. S. Sundar Manoharan, Vice Chancellor, Dr. S. S. Rau, Registrar, Dr. T. Sasipraba, Pro Vice Chancellor, Dr. S. Igni sabasti prabu, Contoller of Examinations and Dr. B. Thayumanavan, Dean (Dental College and Hospital) are providing the necessary support system for the best endeavours.

Untiring efforts staff, students and management and positive academic ambience prevailed in the campus had made University to be ranked as 2nd among Private Universities in Tamilnadu by National Institutional Ranking Framework, Ministry of Human Resource Development, Government of India. University also declared as one among the top 31 deemed to be Universities by the Times Higher Education Ranking and also ranked four stars in QS International Ranking.

The Sathyabama Institute of Science and Technology (Deemed to be University) offers 27 programmes at UG level and 41 programmes at PG level in all disciplines. We have excellent infrastructure facilities including modern laboratories, library with multimedia facilities, internet and other general amenities. Holds great promise to expand the applications of space technology, benefiting the common man and enriching the quality of life in association with Indian Space Research Organization (ISRO). We have written a special page in the history of space research on 22nd June, 2016 with the launch of "SATHYABAMASAT" in association with ISRO. Right from quality technical manpower to ethical needs, the expectations of the nation from us, we arrived to a position to deliver with consistence. The launch of "SATHYABAMASAT" and accolades received in world platforms is a specimen.

SCHOOL OF LAW Sathyabama School of Law aspires to be an internationally-renowned centre for research and teaching in law. School of Law is dedicated in advancing human dignity, social welfare and justice through knowledge of law.

Our courses are academically rigorous, informed by the latest research. Courses are taught by dedicated, efficient and industrious faculty and a cadre of intellects that includes respected judges and experienced practitioners. We work with a wide variety of groups including the legal profession, policy makers, research bodies and organizations. This reflects our strength in many fields of legal and socio-legal research and this give our students the opportunity to interact with internationally-respected scholars. Our programmes will prepare students for a career in the legal profession and beyond. The curriculum has been designed to provide with a strong foundation in the core subjects coupled with opportunities to pursue optional courses in areas of undergraduate's choosing.

INFRASTRUCTURE: State of the art infrastructure includes Col.Dr.Jeppiaar Moot Court, Classrooms are ergonomically friendly and equipped with projectors, LCD screens to make them comfortable for the students. The campus comprises computer laboratory, Central library with access to national and international journals and e-resources, Conference rooms, Auditorium, Digitally Equipped Classrooms and Sports Grounds and many other facilities.

School of Law contributes to the advancement of knowledge by providing professional training across a broad spectrum of legal disciplines. An outstanding example of such commitment is the opportunities to participate in special programs such as the Program in Law and Technology, the Pro Bono Commitment to Community Program, internships, clinics, Law Review, moot court, mock trial, conferences and seminars events as part of the programme.

One of the unique facets of the School of Law is the opportunity provided for students to take part in both national and international competitions. This allows students to expand on the knowledge obtained through the compulsory moot and internal competitions whilst also affording the opportunity to meet fellow students across numerous institutions. These will enhance the required qualities in the dynamic legal industry. Students will acquire the legal knowledge, skills and values needed to help others and to distinguish themselves by making a true impact upon the world.

Theme of the workshop Creativity and innovation are new drivers of the world economy. Intellectual Property Right (IPR) plays a vital role in enhancing the socio-economic prosperity of the country. With the increasing relevance of Intellectual Property in this era of globalization, it is important to recognize the role which IP systems play in the growth of the Nation. Thus, there is a need to create large public awareness about the pivotal role of IPR in globalized knowledge economy. With the view to create awareness on the significance of IPR to the people from various sectors in the Country, School of Law, Sathyabama institute of science and technology is organizing a one day National Workshop on Intellectual Property Rights. The Workshop is intended to cover various aspects of IPR.

KEY THEMES OF THE WORKSHOP

- Transition of Intellectual Property Rights
- Intellectual property rights Implications on Innovations
- Drafting of a patent specification- a techno-legal document
- Protecting and exploring IPRs
- IP Litigation & Growing Trends in India

Participants: Open to Students, Research Scholars, Faculty and Industry Professionals.

Entrepreneurship Development Programme

The Guest Lecture entitled "Entrepreneurship Development Programme" conducted by the department of Automobile Engineering, School of Mechanical Engineering, Sathyabama Institute of Science and Technology, Chennai on 14th September 2018. This talk is mainly focused to the all students in the school of Mechanical Engineering. Total number of students participated in the event is 46. The opening address was delivered by Dr. V. K. Bupesh Raja, HOD of Automobile Engineering about the introduction to Entrepreneurship and about the invited speaker, Dr. E. Bhaskaran, Deputy director of commerce, Entrepreneurship Development Programme, Government of Tamilnadu, Guindy, Chennai-600032. The Entrepreneurship Development Programme is conducted to make people learn compliance with law. To develop and fortify entrepreneurial quality, i.e., motivation or need for achievement. To develop small and medium scale enterprises in order to generate employment and widen the scope of industrial ownership. Eventually, the students gained a vast knowledge in the important aspects to be considered for the Entrepreneurship Development
