About the Institution

Sathyabama is a prestigious institution which excels in the fields of Engineering, Science and Technology for more than three successful decades. It offers multi-disciplinary academic programmes in various fields of Engineering, Science, Technology, law, Dental Science, Pharmacy, Nursing, Management, Arts and Science and Allied Health Sciences. It is established under Sec.3 of UGC Act, 1956 and is been Accredited with 'A' Grade by the National Accreditation and Assessment council. The Institution persistently seeks and adopts innovative methods to improve the quality of higher education and is responsive to the changes taking place in the field of education on a global scale. The Institution has a team of dynamic and outstanding faculty, innovative pedagogical practices, state of the art infrastructure and world class Research Facilities. This glorious Institution is functioning under the dynamic leadership of Dr. Mariazeena Johnson, Chancellor, Dr. Marie Johnson, President and Ms. Maria Bernadette Tamilarasi Johnson, Vice President.

Sathyabama has emerged as a leading Institution and achieved excellence in higher education to international standards owing to its research and academic excellence

School of Pharmacy

The School of Pharmacy is been approved by the Pharmacy Council of India, All India Council of Technical Education and University Grants Commission. The school started its first batch in the academic year of 2019-20. The school has 6 modern classrooms, 13 modular laboratories with sophisticated instruments. The school is attached to the general hospital which is situated in the campus of Sathyabama Institute of Science and Technology. Pharmacy School has well-qualified, foreign-trained skilful professional teaching professors with a doctorate or post-graduation degrees. School of Pharmacy motivates and encourages the faculty members to actively participate in research activities.
