

REPORT

Name of the programme :National Symposium on Bio-prospecting from marine resources for biotechnological applications: Opportunities and Challenges (NSBMRB-19)
Organized : Centre for Drug Discovery and Development
Date : 24th and 25th July 2019
Sponsored by Department of Biotechnology (DBT), Government of India

Col. Dr. Jeppiaar Research Park-Centre for Drug Discovery and Developmentorganised a two days National Symposium on Bio-prospecting from marine resources for biotechnological applications: Opportunities and Challenges (NSBMRB-19)” held on 24thand 25thJuly 2019 Sponsored Department of Biotechnology (DBT),Government of India,New Delhi.

In the National symposium washonoured by the presence of top ranking Eminent Scientist and Professor from various university from India,Dr. K.K. Asha, Principal Scientist from The Central Institute of Fisheries Technology- Kerala, Dr. P. Anantharaman Professor from, Annamalai University-Chidambaram, Dr. G. Muralidaran Assistant Professor from Bharathidasan University-Tiruchirappalli, Dr. T. Citarasu Associate Professor from ManonmaniamSundaranar University- Tirunelveli, Dr. Mary Elizabeth Gnanambal, Associate Professor from Sri Ramachandra Institute of Higher Education and Research and Dr.Rajeshkumar S Associate Professor from Saveetha Dental college-Chennai delivered Invited talk on various aspects of Bio-prospecting from marine resources.

More than 80students the students from various University like Pondicherry University-Pondicherry, Karunya Institute of Technology and Sciences-Coimbatore, Vels Institute of Science, Technology and Advanced Studies-Chennai, AMET University-Chennai, , Chettinad Hospital and Research Institute-Chennai, SRM Institute of Science and Technology-Kattankulathur, Presidency College-Chennai, Sri Ramachandra Institute of Higher Education and Research-Chennai, SRM Arts and Science college-Kattankulathur, Sri Sankara Arts and Science College -Kanchipuram, Professor Dhanapalan College of Arts and Science-Chennai and our own students of Sathyabama Institute of Science and Technology–Chennai. In this programme exclusively 7 Lecture section on Bio-prospecting from marine resources by eminent scientist and Oral & Poster presentation section for Research Scholar

REPORT

Name of the programme: National level Hands on workshop on “Reverse transcription polymerase chain reaction (RT-PCR) :

Date : March 6th and 7th, 2020.

National level Hands on workshop on “Reverse transcription polymerase chain reaction (RT-PCR) conducted by Centre for Drug Discovery and Development (CDDD-SIST), Sathyabama Institute of Science and Technology during March 6th and 7th, 2020.

In this workshop was attended participant by various institutes like Chettinad Academy of Research and Education Kalasalingam Academy of Research and Education and The Madras Christian College.

Dr. Wilson Aruni Pro-vice chancellor delivery the inaugural address and followed by special talk. Two days Hands on training given to the participant in the workshop
