FACEBOOK CONTENT FOR THE WORKSHOP CONDUCTED ON 06.03.2020

Department of Mechanical Engineering, School of Mechanical Engineering has organized a one-day Workshop on the title “**Intellectual Property Rights**” on 06.03.2020. The Resource person Dr. Ram Jawahar, Deputy Director, Patent office, Chennai has presented the topic from the importance of Patents and filing procedures with proper case studies. The young students from Mechanical Engineering and Mechatronics Engineering have attended the program and have got the necessary inspiration and guidance. Definitely this type of program will encourage and guide in patent filing during the final year Project phase and be useful in their quality Engineering profession. The reflected happy faces of participants, who attended from years II, III and IV, signified the success of the IPR workshop, and we sincerely thank Mr. Ram Jawahar for his inspirational technical lectures during the sessions.

About Sathyabama Institute of Science & Technology

Sathyabama Institute of Science and Technology (A Christian Minority Institution) formerly known as Sathyabama Engineering College was established in 1987 by Col. Dr. JEPPIAAR. It is a premier institute imparting knowledge in the areas of engineering, science, technology and education. The institution's progress and contribution to the field of technical education for over two decades resulted in granting Deemed University status on 16th July, 2001. The University has been awarded as Category "A" University by Ministry of Human Resources Development (MHRD), Government of India and accredited by NAAC with Grade "A" in the year 2017, certified with DNV-GL ISO 9001 standard and offering exemplary education from last 29 years.

Sathyabama Institute of Science and Technology with the blessings of Founder Chancellor Colonel Dr. JEPPIAAR has been strengthening its developmental activities in bearing fruits of research for betterment of the society. The architects of tomorrow and believers of today's transformation in education; our **Chancellor Dr. Mariazeena Johnson** and **President Dr. Marie Johnson** providing the necessary thrust in all the development activities of the University. **Dr. S. Sundar Manoharan, Vice Chancellor**, providing the necessary support system for the best endeavors. Untiring efforts staff, students and management and positive academic ambience prevailed in the campus had made University to be ranked as 2nd among Private Universities in Tamilnadu by National Institutional Ranking Framework, Ministry of Human Resource Development, and Government of India. University also declared as one among the top 31 deemed to be Universities by the Times Higher Education Ranking.

About CSE

Department of Computer Science and Engineering (CSE) is one among the leading and oldest department of Sathyabama Institute of Science and Technology. The department caters Under Graduate, Post Graduate and Ph.D. courses in all the specialized areas of computing. The department of CSE has pioneered in setting education standards par excellence that can be sensed by the presence of alumni in all the leading Multinational software firms like Amazon, Oracle, Verizon, Virtusa, Cognizant, Wipro etc. The state-of-the-art facilities include collaborative research labs from Virtusa and CISCO with cutting-edge technologies.

Vision

To be a globally recognized provider of competent, research oriented and socially responsible computer engineers for catering to the various industrial requirements.

Mission

To impart knowledge on fundamentals and emerging thrust areas of Computer Science and Engineering and train in innovation.
To collaborate with International and National institutions/organizations in Software development, Consultancy, R&D and Education.
To inculcate the spirit of leadership and entrepreneurial knowledge and skills.
To instill values and responsibilities in rendering technological services for the sustainable development of the society

About Mechanical

The Department of Mechanical Engineering is one among the department established during the inception of Sathyabama in 1988. From there, the department has grown leaps and bounds to become a major department in the entire University. The department has state of art laboratory facilities to give a wide exposure to the students for practical knowledge and hands on experience and also to cater the research needs of students and faculty members. We enjoy a symbiotic relationship with many leading institutions and industries in and around Chennai.

Vision

To be recognized globally for outstanding education and research leading to well qualified engineers, who are innovative, entrepreneurial and successful in advanced fields of Mechanical Engineering to cater the ever changing industrial demands and social needs.

Mission

To impart quality education to the aspiring engineers through effective teaching-learning techniques to enhance their skills, capacity and make them globally competitive Mechanical Engineers.
To develop collaborations with various Research & Development organizations, educational institutions and industry for excellence in research, teaching and consultancy practices.
To provide the students with academic environment of excellence, ethical guidelines and lifelong learning needed for a long productive career.
To mold the young dynamic potential minds to make them industry ready and emerge as full-fledged professionals or entrepreneurs to serve the society.

Workshop Theme

Industry 4.0

- Transforming Technologies in Bio Engineering
- Advancements in sustainable built environment
- Smart Manufacturing
- Smart World
- Cyber Physical Systems

Target Audience

The workshop is aimed at the multi- facet audience from Industry participants, Full time Research Scholars, UG / PG Students and academicians from Engineering & Science colleges in various disciplines like CSE, IT, ECE, EEE, Mechanical, Bio Engineering. Confirmation mail will be sent upon registration based on first come first serve basis.
