PRIMENTUS, Chennai

About the University

Sathyabama University (A Christian Minority Institution) formerly known as Sathyabama Engineering College was established in 1987 by Dr. Jeppiaar. It is a premier institute imparting knowledge in the areas of engineering, science, technology and education. The institution's progress and contribution to the field of technical education for over two decades resulted in granting Deemed University status on 16th July, 2001 and University status on 13th September, 2006 under section(3) of the UGC Act, 1956 by the Ministry of Human Resources, Government of India. The University has been awarded as Category "A" University by Ministry of Human Resources Development (MHRD), Government of India and accredited by NAAC with Grade "A" in the year 2017 and also certified with DNV-GL ISO 9001 standard. The University is offering exemplary education from last 29 years.

About the department

The department of Civil Engineering stands apart as one of the best departments of the University aimed at providing its students, the state of art facilities. The faculties are encouraged to take independent initiatives with collective responsibility in all the relevant academic and R&D dimensions like teaching, curriculum development, graduate research

supervision and organizing conference, workshop, faculty development program, symposia, etc.,

About Primentus

Primentus is a leading project management consultancy, which provides training for Civil Engineers working in Private companies and Govt Organizations. It is run by Shri.D. Bashyam, who holds more than 40 years of experience in Designing structures and Construction Project Management for various projects through out India.

About the workshop

This workshop is intended for UG, PG students, Industrialists and Academicians from Civil Engineering background. During the 5 days workshop, hands-on training will be given on application of MS project in Construction Projects for planning and scheduling the activities.

Objective

The objective of the workshop is to get better knowledge on application of MS Project software in the construction projects for planning, scheduling and monitoring the activities with practical oriented views.

Topics covered

- Construction Activities Sequence
- Network diagram
- Activity Relationships
- Scheduling
- Monitoring of activities

Deliverables

At the end of the workshop, the participants will be able to plan and schedule any construction project using MS Project.

Registration Fees

For Students : Rs.1000/-
 For Academicians/Industrialists: Rs. 1500/-

ABOUT THE UNIVERSITY

Sathyabama University (A Christian Minority Institution) formerly known as Sathyabama Engineering College was established in 1987 by Dr. Jeppiaar. It is a premier institute imparting knowledge in the areas of engineering, science, technology and education. The institution's progress and contribution to the field of technical education for over two decades resulted in granting Deemed University status on 16th July, 2001 and University status on 13th September, 2006 under section(3) of the UGC Act, 1956 by the Ministry of Human Resources Development, Government of India. The University has been awarded as Category "A" University by Ministry of Human Resources Development (MHRD), Government of India and accredited by NAAC and also certified with DNV- GL ISO 9001 standard. The University is offering exemplary education from last 29 years.

ABOUT THE SCHOOL OF BUILDING & ENVIRONMENT

We envision Developing the school of Building and Environment, Sathyabama University as a State of the art Research Centre in creating responsive Built Environment through energy efficient and structurally stable infrastructure and foster our students to face the challenges of the Dynamic World.
