

DEPARTMENT OF INFORMATION TECHNOLOGY

EVENTS ORGANIZED

2020-2021

Webinar Series

Nature of the Event	Live Webinar Series
Topic	Data visualization and analytics, Cyber Security Landscape 2020 and Beyond, Financial Planning for Beginners
Date(s) & Time	08/06/2020 – 10/06/2020
Resource Person	Mr.Rajat Kumar, Mr.Jaizal Ali, Mr.Vijayan Bharathi
No. of Participants	160/154/136
Nature of Participants	Students / Faculty
Zoom ID / Venue	951 9292 2943 / 549569

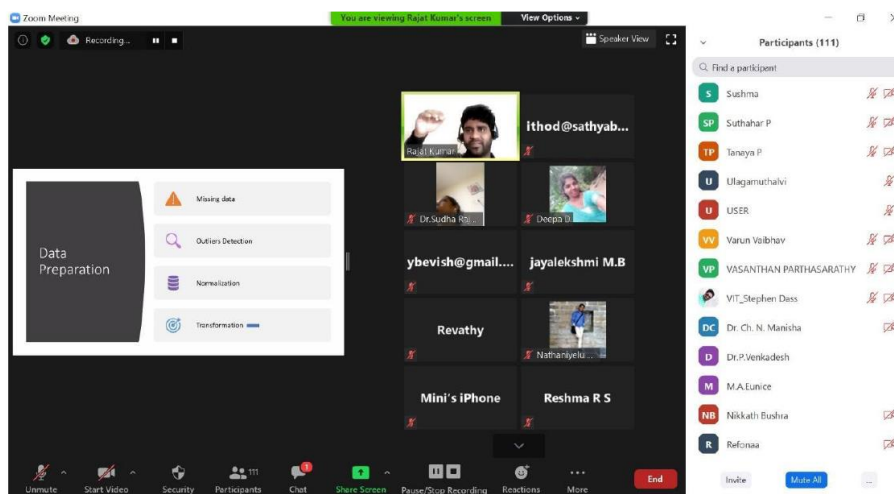

The image shows three posters for the webinar series. Each poster is for a different day of the 3-day series, all organized by the Department of Information Technology at Sathyabama Institute of Science and Technology. The posters are for 'Data Visualization and Analytics', 'Cyber Security Landscape 2020 and Beyond', and 'Financial Planning for Beginners'. Each poster includes the date, time, speaker, and contact information.

The Department of Information Technology organized a 3-day webinar series from June 8th to 10th 2020. On Day 1(08/06/2020), from 11:00Am to 1”00 PM, Mr. Rajat Kumar, HP, Singapore presented an excellent session on “Data Visualization and Analytics” . The

hands-on session was very interesting and the participants were able to acquire the insights on data analytics.

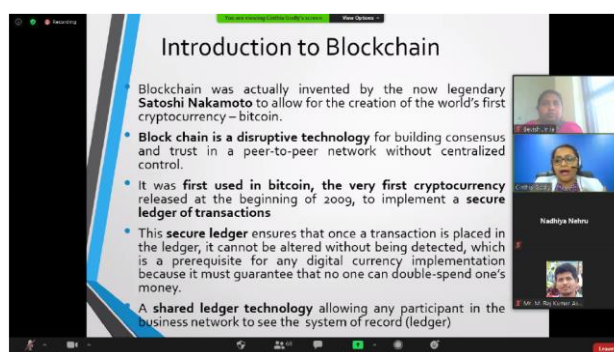

On Day 2(09/06/2020) from 11:00Am to 1:00 PM, Mr.Jaizal Ali, Founder and Director, RedTeam Hacker Academy presented a talk on “ Cyber Security Landscape and Beyond”. He highlighted the importance of security and provided certain tips and tricks to ensure security.

On Day 3 (10/06/2020) from 11:00AM to 1:00PM, Mr.Vijayan Bharathi, Freelancer, gave a motivational talk on “Financial Planning for Beginners”. It was completely a different and interesting session. Participants were able to inculcate the importance of financial planning.

Webinar on “Exploring Blockchain Applications for Education”

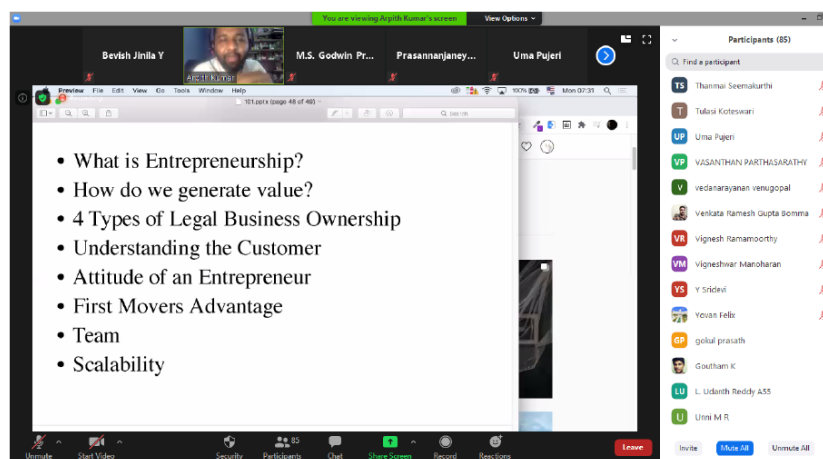

Nature of the Event	Live Webinar
Topic	Exploring Blockchain Applications for Education
Date(s) & Time	23/06/2020 & 11:30 Am to 12:30 Pm
Resource Person	Ms. Cinthia Joy Godly
No. of Participants	223
Nature of Participants	Students / Faculty
Zoom ID / Venue	969 7053 7315 / 770571

A live webinar on “Exploring Blockchain Applications for Education” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **23rd June 2020** from 11:30 Am to 12:30 pm. **Ms. Cinthia Joy Godly, Assistant Manager- Academic services, Federation University @IIBIT Sydney, Australia**, delivered the talk. A total of 223 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on blockchain and they were able to inculcate the insights of blockchain in education. The speaker presented the session with interesting facts and highlights. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of blockchain in education.

Webinar on “Entrepreneurship 101”

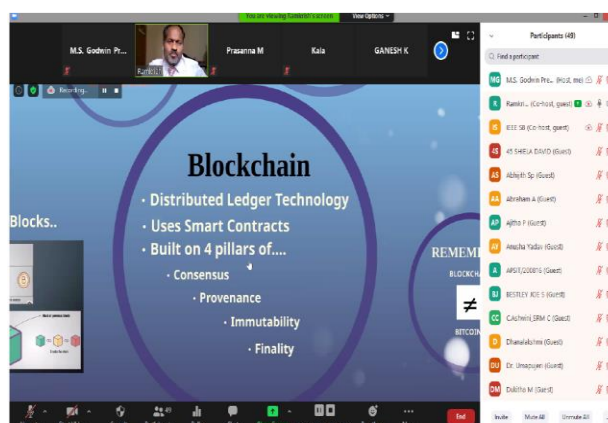

Nature of the Event	Live Webinar
Topic	Entrepreneurship 101
Date(s) & Time	29/06/2020 & 3:00 Pm to 4:00 Pm
Resource Person	Mr. Arpith Kumar
No. of Participants	196
Nature of Participants	Students / Faculty
Zoom ID / Venue	982 0833 2993 / 259779

A live webinar on “**Entrepreneurship 101**” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **29th June 2020** from **3pm to 4pm**. **Mr. Arpith Kumar, Managing Director, Abeloff Media, Brazil** delivered the talk. A total of 196 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on Entrepreneurship and they were able to inculcate the insights of it. The speaker presented the session with interesting facts and highlights. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of Entrepreneurship.

Webinar on “Blockchain: Introduction and Use cases”

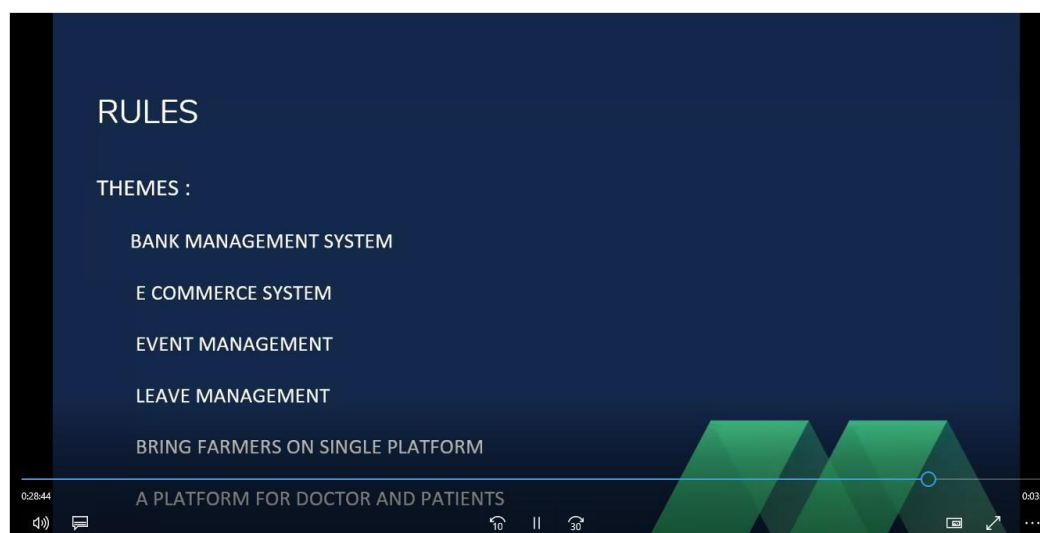

Nature of the Event	Live Webinar
Topic	Blockchain : Introduction and Use cases
Date(s) & Time	13/07/2020 & 11:00 Am to 12:00 Pm
Resource Person	Mr. Ramakrishnan Raman
No. of Participants	122
Nature of Participants	Students / Faculty
Zoom ID / Venue	951 9292 2943 / 549569

A live webinar on “**Blockchain : Introduction and Use cases**” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **13th July 2020** from **11 Am to 12 Pm**. **Mr. Ramakrishnan Raman, Project Mentor, HCT, Dubai, UAE** delivered the talk. A total of 122 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on blockchain and they were able to inculcate the insights of it. The speaker presented the session with interesting facts and highlights. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of blockchain.

Hacktober .404 Found

Nature of the Event	Contest
Topic	Hacktober .404 Found
Date(s) & Time	18/10/2020 & 8:30 Am to 3:30 Pm
Resource Person (Evaluators)	Dr.Y.Bevish Jinila, Dr.Yovan Felix
No. of Participants	110
Nature of Participants	Students
Zoom ID / Venue	969 7053 7315 / 770571

The Department of Information Technology in association with IEEE student chapter organized the event Hacktober .404 Found on **18.10.2020** from **8:30 Am to 3:30 Pm**. Hacktober .404 is a website design contest. A total of 110 students participated in the event. Out of this, 80 participants are from Sathyabama Institute of Science and Technology and 30 participants are from other institutions. The event was conducted in three rounds. And, six themes were given for the design. The themes considered for the contest include bank management system, ecommerce system, event management, leave management, bringing farmers on a single platform and a platform for doctors and patients. The contest was interesting and the participants came to know about the various design styles.

Webinar on “System Integration and Architecturing”

Nature of the Event	Live Webinar
Topic	System Integration and Architecturing
Date(s) & Time	28/10/2020 & 11:00 Am to 12:00 Pm
Resource Person	Mr.Dennis Surendar
No. of Participants	195
Nature of Participants	Students / Faculty
Zoom ID / Venue	951 9292 2943 / 549569

A live webinar on “**System Integration and Architecturing**” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **28th October 2020** from **11 Am to 12 Pm**. **Mr. Dennis Surendar, System Integration Architect, Federation Mortgage Association (FannieMae), USA** delivered the talk. A total of 195 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on System integration and architecturing and they were able to inculcate the insights of it. The speaker presented the session with interesting facts and highlights. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of System Integration.

e-SILICON 2K20 HACKERANKER

Nature of the Event	Contest
Topic	HACKERANKER
Date(s) & Time	11/11/2020 & 12/11/2020
Resource Person (Evaluators)	Hackeranker Platform
No. of Participants	126
Nature of Participants	Students
Zoom ID / Venue	969 7053 7315 / 770571

The Department of Information Technology in association with IEEE student chapter organized the event HACKERANKER as part of the National level online technical symposium on **11th Nov and 12th Nov 2020**. Hackeranker is a coding contest conducted in online platform called Hackeranker. A total of 126 students participated in the event. Out of this, 71 participants are from Sathyabama Institute of Science and Technology and 55 participants are from other institutions. The event was conducted in three rounds. The participants were able to explore the insights in coding.

e-SILICON 2K20 PRVIEW

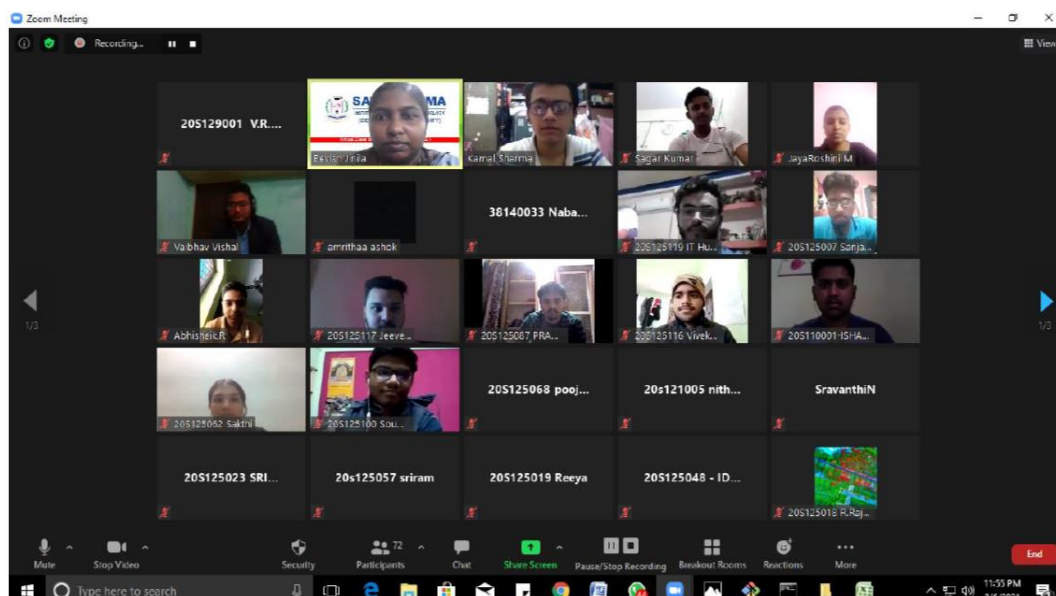

Nature of the Event	Contest
Topic	PRVIEW
Date(s) & Time	11/11/2020 & 2pm to 5pm
Resource Person (Evaluators)	Dr.Prayla Shyry, Dr.Jabez
No. of Participants	82
Nature of Participants	Students
Zoom ID / Venue	969 7053 7315 / 770571

The Department of Information Technology in association with IEEE student chapter organized the event PRVIEW as a part of the National level online technical symposium on **11th Nov, 2020 from 2pm to 5 pm**. The main aim of the event **PRVIEW** is to exhibit the project and to be recognized. A total of 82 students participated in the event. Out of this, 45 participants are from Sathyabama Institute of Science and Technology and 37 participants are from other institutions. The event was conducted in three batches.

Webinar on “GIT and GitHub”

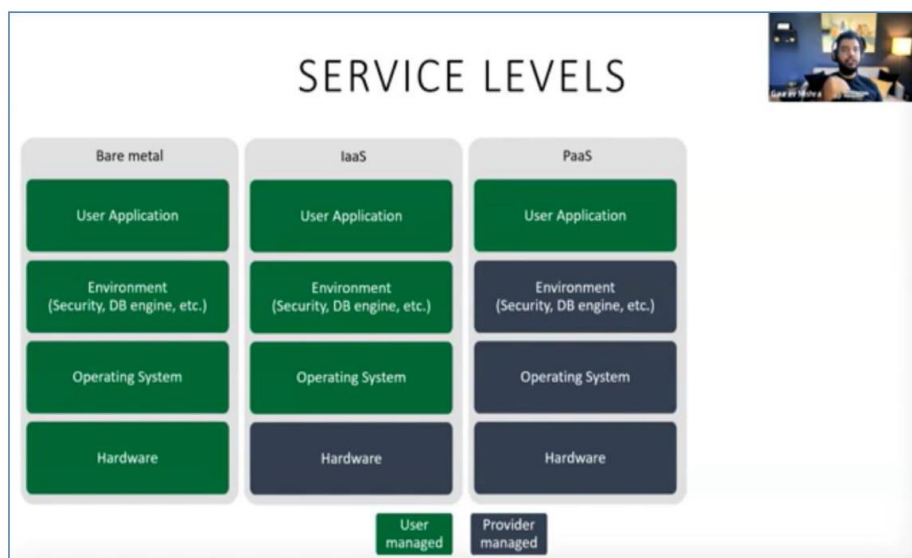

Nature of the Event	Webinar
Topic	GIT and GitHub
Date(s) & Time	06/02/2021
Resource Person	Mr.Kamal Sharma, Ms.Jayaroshini
No. of Participants	128
Nature of Participants	Students
Zoom ID / Venue	969 7053 7315 / 770571

A live webinar on “GIT and GitHub” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **6th Feb 2021** from **10:15 AM to 12:30 PM**. **Mr. Kamal Sharma and Ms.Jayaroshini** delivered the talk. A total of 128 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on “GIT and GitHub” and they were able to inculcate the insights of it. The speakers presented the session with interesting facts and highlights. Suitable real time examples were illustrated to briefly understand the subject. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of GIT and GitHub.

Webinar on “Leave the Rest to Serverless”

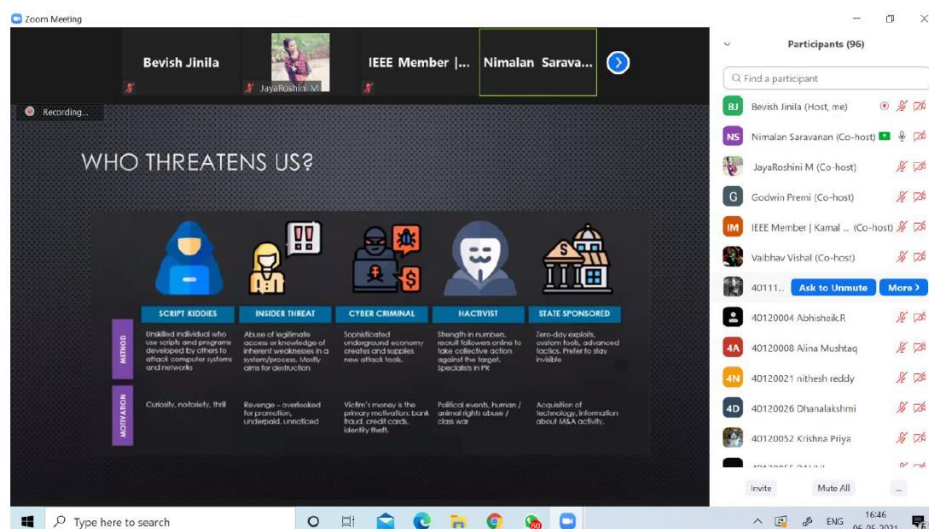

Nature of the Event	Live Webinar
Topic	Leave the Rest to Serverless
Date(s) & Time	17/03/2020 & 6:00 Pm to 7:00 Pm
Resource Person	Mr. Gaurav Mishra
No. of Participants	98
Nature of Participants	Students / Faculty
Zoom ID / Venue	951 9292 2943 / 549569

A live webinar on “**Leave the Rest to Serverless**” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **17th March 2021** from **6 Pm to 7 Pm**. **Mr. Gaurav Mishra, Research Engineer, Siemens** delivered the talk. A total of 98 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on “Serverless Technologies” and they were able to inculcate the insights of it. The speaker presented the session with interesting facts and highlights. The key points addressed include virtualization, responsibility flow, docker, auto scaling, and Kubernetes. Suitable real time examples were illustrated to briefly understand the subject. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of serverless technologies.

Webinar on “Cyber Security as a Career”

Nature of the Event	Live Webinar
Topic	Cyber Security as a Career
Date(s) & Time	06/05/2021 & 4:30 Pm to 5:30 Pm
Resource Person	Mr. Nimalan Saravanan
No. of Participants	176
Nature of Participants	Students / Faculty
Zoom ID / Venue	951 9292 2943 / 549569

A live webinar on “Cyber Security as a Career” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **6th May 2021** from **4:30 to 5:30 PM**. **Mr. Nimalan Saravanan, Deloitte India** delivered the talk. A total of 176 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on “cyber threats” and they were able to inculcate the insights of it. The speaker presented the session with interesting facts and highlights. The key points addressed include domains in cyber security to be explored, and roles and responsibilities. The speaker also insisted the participants to be updated on cyber security. He presented various websites which presents updated information on cyber security. Suitable real time examples were illustrated to briefly understand the topic. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of cyber security.

Skill Development Programme Cyber Security Trends and Applications

Nature of the Event	Skill Development Programme
Topic	Cyber Security Trends and Applications
Date(s) & Time	15/07/2021 to 21/07/2021
Resource Person	Mr.Vivek Vijay Sarkale, Mr.Vinoth Senthil, Mr.Jaizal Ali, Dr. R.Geetha, Dr. B.Loganayagi
No. of Participants	100
Nature of Participants	Students / Faculty
