

AGREEMENT FOR COLLABORATION

BY AND BETWEEN

**CENTRE FOR QUALITY ASSURANCE AND NON-DESTRUCTIVE EVALUATION
SATHYABAMA INSTITUTE OF SCIENCE AND TECHNOLOGY**

AND

INICO INSPECTION SERVICES, CHENNAI.

Centre for Quality Assurance and Non-Destructive Evaluation at Sathyabama University aims at becoming the Numero Uno Centre for applying Non Destructive Evaluation for Quality Assurance and to serve the Nation at a larger scale. The centre is equipped with state-of-art equipments for various NDT techniques that include InfraRed Thermography, Ultrasonic testing, Magnetic Particle Testing, Liquid Penetrant Testing. An exceptionally talented and dedicated team of centre coordinators, researchers and Post graduate Students are actively involved in The main activities of the centre aims at developing completely reliable, cost effective, Non Destructive Evaluation (NDE) based techniques. Centre focus on providing training and research and in generating new knowledge, basic or applied.

Industrial NDT Inspection Co. (INICO) is a leading Non-Destructive Testing company based in Delhi and Chennai, India. We provide adept and cost-effective Non Destructive Testing services, third party inspections, training, certifications and consultancy services. INICO, offers NDT services to nuclear, gas and manufacturing clients. In 2000, the company extended its services to provide qualitative third party inspections. With the increasing demand of the SNT-TC-1A training in the Indian industry, INICO set up its own training institute in 2004 to mentor and certify personnel in NDT methods. In addition, a Level 3 consultancy services was also simultaneously established.

The agreement is made and entered into by and between Centre for Quality Assurance and Non-Destructive Evaluation, Sathyabama Institute of Science and Technology and M/S.Inico Inspection Services, Chennai. The parties hereby agree as follows:

1. Scope of the Agreement:

Both parties share a desire to develop mutually strengthening and enriching training experiences for under graduate and postgraduate students of Sathyabama Institute of Science and Technology in the discipline of Quality Control and Non-Destructive Test methods.

2. Desired Outcomes

Through collaboration with each other, the parties agree to achieve the following outcome:

To help students to convey to potential employers the comprehensiveness of their training and readiness to implement their Quality control and Non-Destructive Test resources in research projects and to help them for placement interviews.

General Provisions:

All research and other collaborative activities conducted pursuant to this agreement shall be conducted in accordance with the laws and regulations appropriate to each institution.

3. Duration of the Agreement

This agreement shall take effect when executed by both parties and shall be for a term of three (3) years. The agreement shall be automatically renewed for successive three (3) year terms unless terminated as provided herein. The agreement may be terminated by either party upon no less than 3 months through written notice to the other party. This agreement may be modified by written agreement of both parties at any time. Nothing within this agreement shall create any financial obligation or cause any hardship to either party.
