Organizes Live webinar on

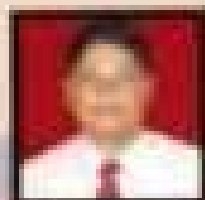

NEXT STEP 2021

(A CAREER GUIDANCE FOR BIO AND CHEMICAL ENGINEERS)

SCHOOL OF BIO AND CHEMICAL ENGINEERING

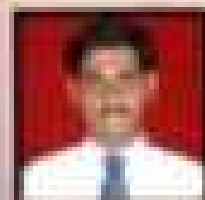

The School of Bio and Chemical Engineering comprises of Biotechnology, Biomedical Engineering, Bioinformatics and Chemical Engineering departments. The school aims to inculcate the students with value education and ample practical skills. The school has entered an MoU (Memorandum of Understanding) with various industries wherein collaborative research and training for students in real-time under industry conditions are provided. In coordination with the Technology Business Incubator cell of Sathyabama, young entrepreneurs are nurtured leading to startups. By promoting extracurricular activities (ISEL, NCC, YRC and other student development cell activities) the school ensures all-round development to the students.
