Research Collaborations

Scientists from Centre for nanoscience and Nanotechnology and Ural Federal University (Russia) have jointly developed a novel method for industrial scale production of Quaternary Nanocomposite for diverse applications.

Centre for Ocean Research is awarded with prestigious Takeda Science Foundation Fellowship Award to jointly work with National Institute of materials Science, Tsukuba, Japan.

The researchers at Sathyabama have bagged several fellowships that include DST -OVDF under Indo- Purdue Initiative, Korean Research fellowship, European Research Council Fellowship, Indo Japanese Young Research Fellowship, ICMR- DHR International Fellowship.

Fellows from Indonesia have acquired grants to visit Sathyabama under ASEAN-India STI Cooperation approved by DST for a period of six months, to pursue research under the Mentorship of the Physics faculty of Sathyabama.

Erasmus Plus agreements have been signed with Transylvania University of Brasov, Romania and Wszechnica Polska University in Warsaw, Poland for executing European Union funded student and staff mobility programmes

- **Dr.M.Suganiya** received **Augmenting Writing Skills for Articulating Research (AWSAR)** award from the Department of Science and Technology, Govt. of India.
- *One of our Sathyabama TBI incubatees – CZ Smart Mobility has been recognized as Emerging / Budding Entrepreneurs by MSME, Government of India.*
- *Centre for Earth and Atmospheric Science and Centre for Climate Change studies has been identified by National Institute of Disaster Management, Ministry of Home Affairs, Govt. of India, to train public on —Basic Principles of Disaster Management.*
- *State-of-art Micro level Research Facility for Surface Meteorological studies is being established by Centre for Remote Sensing and Geoinformatics.*
- *We have received financial grant from AICTE for the study tour of ATAL TUNNEL under the AICTE' (Yuvak) -Youth Undertaking Visit for Acquiring Knowledge Scheme*
- *Our faculties have been selected as Mentors of Change by Atal Innovation Mission and are awarded to represent them as Mentors of Change (MoC) and Regional Mentors of Change (RMoC) for the Government of India's flagship programme of Atal Tinkering Labs, a strategic nation-building program established by Atal Innovation Mission (AIM) of NITI Aayog, Government of India*

High Impact Publications

Research can be verified for its standards and laudability through high-impact publications in Science Indexed Journals. Few of the research publications in high-impact journals are

- *Mr.C.Manoj Kumaar, Civil Engineering, Applied Nanoscience*
- *A.Ramesh Babu, Department of Electrical and Electronics Engineering, MDPI electronics*
- *S.Prakash and Amit Kumar, Centre for Climate Change Studies, Journal of the Marine Biological Association of the United Kingdom*
- *Marykutty Abraham, Centre for Remote Sensing and Geoinformatics, Arabian Journal of Geosciences*
- *K.Govindaraju, Centre for Ocean Research, Plant Physiology and Biochemistry*
- *K.Govindaraju, Centre for Ocean Research, Aquaculture Research, 1.74*
- *K.Govindaraju, Centre for Ocean Research, International Journal of Biological Macromolecules*
- *K.Govindaraju, Centre for Ocean Research, Journal of Nanostructure in Chemistry*
