Satisfactory certificate of Performance of MHMS in our Milk chilling centres

This is to certify that the Milk Health Monitoring System (supply quantity quantity 5 nos complete system which includes system at BMC as well as in our Road Milk Tanker) supplied on 07.02.2019 by Sathyabama Institute Of Science And Technology, Jeppiaar Nagar, OMR, Chennai, Tamilnadu -600119, to monitor the milk quality, chilling process and dispatch of the raw chilled milk through our Road milk tankers are found to be very helpful in monitoring the milk health and helps to detect any unformed activities such as milk theft, adulteration with water, power units used for running of bulk milk cooler for milk chilling, unhygienic conditions in the rural milk chilling centres as well as during transportation of milk to our Dairy Plant located at Kariyamangalam Village, Tiruvannamalai district. The MHMS performs well at all our sites (in our three milk chilling centres and two Bulk milk supplying farmers site) in a satisfactory manner as it's easy to maintain and users friendly. We accept and give the quotation amount of 65,000 for the implementation of "Bulk Milk Cooler Monitoring System and Bulk Milk Transport monitoring system"
