Department of Conservative Dentistry and Endodontics,
 Sathyabama Dental College and Hospital, organised a panel discussion on 16th june, 2020, on SUSTAINABLE MENSTRUATION in association with SHRUNKHALA highlighting the ecofriendly alternatives such as menstrual cups and cloth pads to reduce the use of non biodegradable plastics and to conserve nature.

Total number of participants: 275
 ❖The session was interactive and opened the minds of the participants to sustainable and ecofriendly sanitary alternatives.
