

CREATING VALUES FOR YOUR INVESTMENT

An IIT Madras Incubated
Construction Technology Company

Date 24-11-2021

To,

The Director,
Solar Decathlon India

Dear Sir,

This is to inform you that our organisation, Engineering Project Management Consultancy and Research Private Limited (An IIT Madras Incubated Company), is collaborating with the participating team led by Sathyabama Institute of science and Technology on a Construction Workers Shelter Building project for their Solar Decathlon India 2020-21 competition entry.

The nature of our collaboration will be:

1. Providing required data for labour shelter constructions.
2. Suggestion for usage of sustainable materials.
3. Validation of design.

We would like to have a representative from our organisation attend the Design Challenge Finals event in April/May, if this team is selected for the Finals.

We would like our organisation's logo to be displayed on the Solar Decathlon India website, recognising us as one of the Industry Partners for the 2020-21 competition.

With warm regards,

Name Kavinkumar S
