- ❖ E-certificates will be provided for the participants completing the full program, No Registration Fees.

Bonafide Certificate

This is to certify that the dissertation entitled “**Development of Loop Mediated Isothermal Amplification (LAMP) Assay for Species Identification of *Aedes aegypti* for Vector Surveillance**” submitted by **Ms. Vaishnavi C** (37990008) in partial fulfillment for the award of the degree of **Master of Technology in Biopharmaceutical Technology** done at **Healthcare Technology Innovation Centre, IIT Madras** (HTIC-IITM) during the period of October 2018 to March 2019 is a record of the original work done under my guidance and supervision. Certified further that to the best of my knowledge the work reported herein does not form part of any other thesis or dissertation on basis of which a degree or award has been conferred for any other candidate on any other occasion.

(Ravishankar Ramanathan)
