31	B.E	EEE	38140007	Anitha N
32	B.E	EEE	38140027	MATHAN KUMAR.J
33	B.E	EEE	38140040	RADHA M
34	B.E	EEE	38140053	SURESH A
35	B.E	EIE	38180003	Malavika.R

For all the above 35 students, an orientation was given on 22.01.21. This session briefed about the importance of the HCL-COE program and its terms & conditions. These students were asked to submit a declaration letter stating that they understand and agree to the terms & conditions of the HCL COE program.

The above table is color-coded:

Details are given in Green font- These students have submitted the declaration letter successfully.

Details are given in Red font- These students have not submitted the declaration letter yet. You are requested to submit your declaration letter in the below link on or before 8.00 AM on 26.01.21.

Registration Link: <https://docs.google.com/forms/d/e/1FAIpQLSdLsXege5Kj8jSUTYxrJVISLgsNhXTawHgNLP3MW412TyRA9A/viewform>

Subject: HCL- Centre of Excellence @ Sathyabama | Declaration Letter

To: Sathyabama Placement <sathyabamaplacement@gmail.com>

Dear Students,

Greetings!. With reference to the below mail and orientation program, we would like to inform you that students who are shortlisted for HCL-COE program are requested to fill the below Google form and upload the undertaking letter in the given format in the below Google link on or before 08.00 AM on 25.01.21.

Registration Link: <https://docs.google.com/forms/d/e/1FAIpQLSdLsXege5Kj8jSUTYxrJVISLgsNhXTawHgNLP3MW412TyRA9A/viewform>

You are asked to upload an undertaking letter in the above link. Please follow the below instructions & letter format to send the letter.

1. This letter can be typed/ handwritten
2. Should be addressed to "DEAN - Placement & Corporate Affairs"
3. Signed by you.
4. Should be attested by parent or Guardian (Full name should be written under the signature)
5. File Name of the letter should be in the format: SIST-HCL-DL-Reg#-Name.pdf, E.g: SIST-HCL-DL-38110001-ArunKumar.pdf
6. Size of the letter should not be more than 100 KB
5. Your information will be considered and recorded only if your letter carries the following required information **after the initial part of the letter:**

----- Letter Template-----

Full Name:

Date:

Register Number:

Department:

Sub: The HCL-COE program | Declaration letter – Reg.

I would like to confirm that I am aware of the rules and regulations to be followed as part of HCL-COE program which is conducted in our University. I would like to proceed with the HCL-COE program in our University by accepting the following terms.

1. The Company/University will not charge any training fee from me.
2. If I am offered a full time job through this COE program , I will be allowed to take up other company offers only if it is 2 LPA more than HCL. Also, I will be allowed for all Super-Dream Companies.
3. I agree to undergo the internship at HCL during the final semester, if it is offered by HCL.
4. I will not be given the LOR for higher studies till May 31,2023.
5. I am aware that I have to sign a service agreement for 18 months (From the start of the Full Time Employment) with HCL.

I understand the value of the skills development opportunities through this niche initiative and ensure to put my 100% effort to learn the most out of this.

Signature of the student
(Name of the Students)

Signature of the Parent/ Guardian
(Name of the Parent / Guardian)

Dear Students,

Congratulations once again for getting into the HCL-COE. We are sure that it is going to be a great opportunity to upskill yourselves.

With reference to the below mail, we would like to request the students shortlisted for the HCL-COE program to read and follow the below-mentioned ground rules of the Centre of Excellence program.

- The selected students will be trained by HCL Experts for 2 semesters (6th and 7th- 6 to 8 months duration) in Embedded and imaging technology.
- The company will screen & offer placement for the trained students during the 7th semester.
- Students selected through the HCL COE program will not be allowed for other recruitments, except for companies offering 2 LPA more than HCL. The CTC offered by HCL for the 2021 batch is 4.75 LPA. This is just for your reference.
- Students will be offered to work in real-time(R&D projects) projects.
- The Company will not be charging any training fee from the students
- Students willing to undergo the program must sign an agreement with the company that after being selected for a job opportunity with the company that they should not fail to accept the offer provided by the company.
- HCL COE selected students should sign a service agreement for 18 months with the company when you accept the job.
- Students who have accepted the job offer from the company should not accept the job offer from any other organization before completing the employment services as per the service agreement.

The flow of the HCL-COE program: Mentioned below are the various phases included in the program

- **Orientation :** An awareness session on Embedded and Imaging technology for the students.
- **Screening:** Syllabus along with sample questions & patterns for the initial screening test will be given by HCL for selecting the right minds for training.
- **Training:** Classroom and Lab training for selected students.
- **Exit interview :** Conduct Exit Interviews to provide employment opportunities for the students who meet the current resource demand.

Though all these have been briefed during the orientation program conducted by HCL before the screening test, We just want to remind you of all these.

We have scheduled an orientation regarding this for all the shortlisted students on 22.01.21 at 3:00 PM. You will get the meeting credentials before 10 AM tomorrow.

You will be asked to give a declaration letter mentioning the above points before proceeding further with HCL.,

With Warm Regards
Team Placement
Sathyabama Institute of Science & Technology

Dear Students,

With reference to the below mail, this is to inform you that HCL has planned to conduct a screening test for HCL-COE programme registered students from 2022 passing out batch. Attached is the list of students who have registered and received the mail regarding the screening test link from HCL. All these students are requested to plan accordingly.

Date: **21-12-2020**

Timing: **4:00 pm to 6:00 pm**

Test Link: Shared through mail from the HCL directly.

Note:

- 1. Please read the below mail for more details.**
- 2. All these students should take the test in a laptop that has a camera and microphone.**

With Warm Regards
Team Placement
Sathyabama Institute of Science & Technology

----- Forwarded message -----

Classification: **Internal**

Dear Dr. John Bruce,

Greetings!

As discussed, we wanted to conduct the screening test on Aptitude and Technical (C programming and Microprocessor) for the registered students.

Please find below the test schedule:

Date: **21-Dec-2020**

Timing: **4:00 pm to 6:00 pm**

The test link will be sent to the student email address (which you have shared already) just before the test start time. We advise the students to take the test in a laptop that has camera and microphone.

Kindly confirm whether we can go ahead and schedule the screening test as per the above schedule.

Subject: Attn: HCL- Centre of Excellence @ Sathyabama | Attendance on 20.10.2020

To: 2022Engg <sathyabama-pc-2022@googlegroups.com>

Dear Students,

With reference to the below mail, this is to bring to your notice that the HCL-COE training classes started for 2022 batch students from 16.10.2020 onwards for shortlisted students of the HCL team (Refer the list attached). But only 78 students out of 138 are attending the classes it seems, the list is attached in this mail. We are **planning to restrict the absentees from any other industry related activity in future (As we communicated earlier)**.

Note:

1. SIST-HCL COE-SL-DB-2022-ToStudents.pdf (138 students shortlisted by HCL from the registered list)
2. HCL-COE-Training-2022 Batch-Attendance-20.10.20-To Students.xls (only 78 students has been attended the today's afternoon class)

With Warm Regards

Dear John Bruce,

Thank you for sharing the list of Interested student for the COE training.

As discussed, please find below the list of filtered students for whom we would like to conduct the Screening test. We also wanted to conduct a short training course on C programming for them, so that they will be better prepared for the screening test.

This training course will be for around 40 hours. Two hours per day would help us to complete the training in 3 to 4 weeks.

Please let us know from when can we start the training session for these students, based on their current schedule.

Also we would like to provide an Orientation session for the below list of 138 students about our training and hiring program.

Kindly confirm on a 1 hour session this week with the students.

Regards,

-----Forwarded message-----

Dear John Bruce,

Greetings!

We would like to start the Student selection for the 6th Semester Elective subject in “System Programming” for the FY 2022 batch.

Request you please initiate registration for the students from ECE, E&I, EEE, CSE and IT departments, who are Interested in Embedded Career and get trained by the COE.

We can also have an Orientation session with the selected students by this week, once the nominations are received.

The students need to prepare for the Screening test on the following topics:

Basic Programming in C :

Introduction to C, Decision control statements & Loops, Modular programming using functions, Preprocessor Directives, Storage Classes,

Arrays and Strings, Pointers, Dynamic Memory, User Defined Data Types, File I/O: Sequential and Random Access, Function pointers, Structures, Bitwise operator, Variables and Arguments, Formatted I/O, Command Line Arguments.

Data Structures:

Data Structure Introduction, Stack and Queues, Linked list Introduction, Types of Linked list, Trees and Sorting.

Foundation to Embedded Concepts:

Processor 8085 – Features, Architecture, Addressing Modes, ADC, PWM, WDT, RTC, Interrupt, Timers, GPIO, UART, etc

Microcontroller 8051 - Features, Architecture, Addressing Modes

Digital Electronics: Number Systems, Boolean Algebra, Boolean Algebra Implementation of Circuits. Combinational and Sequential Logic, Latches and Decoders, Digital logic families, Combinational & Sequential circuits design, Registers and Counters design, Synchronous FSM design

Analog Electronics: Semi Conductor devices-Diodes, Transistors & Operational Amplifiers

Introduction to Embedded Systems, ESDLC, Processor Characteristics, Memory Devices and Hierarchy, Peripheral Devices, Bus Characteristics (Address and Data)

Name: Ramakrishna Bendalam
Registration No : 38130180
Roll no : 18SEC1036
Batch : 2018-2022
ECE -IV yr

Respected sir. I hope you are doing well and good

My self Ramakrishna B from ECE IV yr.

I am also one of the candidate in HCL-COE trained candidate in last sixth semester

I am very sad to ask about this.

Can you kindly tell me how the selection process was done for the final HR round.

On what Basis the candidates were selected?

Please let me know sir. So that i can correct my mistakes for not to happen in my future which are happened in this process of selection.

And finally I want to know where I failed to select sir.

Kindly do the needful as soon as possible.

Yours sincerely
Ramakrishna Bendalam
