

ARE YOU READY FOR THE CHALLENGE?

SOLVE TECH PROBLEMS, LEARN NEW SKILLS AND GET HIRED!

What are we looking for?

Passionate about programming to develop smart applications
that transform the way technology works.

Topics

Internet of Things (IoT)
Robotic Process Automation (RPA)
Artificial intelligence (AI) & Cognitive Computing
Big Data Analytics

For more information, contact your PLACEMENT OFFICER today!

Are you good at coding?? Computer labs are not the only place for coding, coding is all about creativity. Anyone can write a code that a computer can understand, only a good programmer can write a program that humans can understand.

*Take your ability to next level by participating in **our national level coding competition – NeuralHack**. Win exciting prizes and make moments memorable”. Code your heart out, to show the nation what you’re capable off.*

This is how you will take part in it...

You must fulfill the following criteria...

- 1) You should be a final year student from BE/B.Tech/MCA- CS, IT, ECE & EEE batch.*
- 2) No percentage restrictions.*
- 3) You must not have received offer from Virtusa as a part of 2018 hiring.*

What is to be done...

- 1) Form a 3-member team. (Maximum 25 teams per college)*
- 2) Register yourself in link which will be provided by Placement Officer on 3rd Oct’17.*

Note - *Ensure only the representative of the team registers along with the other team member information. Kindly refrain from multiple registries which will result in disqualification.*

Upon successful registrations, you will receive a link which will help you practice before you take part in the actual competition. This link will be shared either with the team representative/placement office on the 9th Oct’17.

This practice test link will be available for use between 9th to 11th Oct’17. However, you will be given only one chance to take up the practice test.

How you will be grinded...

- 1) Level 1 (test will be held at the respective colleges)*
- 2) Two weeks’ time will be given to prepare yourself for the next level.*
- 3) Shortlisted students will attend level 2. (await surprises here 😊)*
- 4) Two weeks’ time will be given to prepare yourself for the next level.*
- 5) Final level test will be conducted for the students at Virtusa Chennai with a grand celebration.*

Timelines...

Activity	Start date	Last date	What must be done
Registration	3/Oct/2017	6/Oct/2017	Register yourself in the registration link
Practice test	9/Oct/2017	11/Oct/2017	Take up the test in the link provided to your registered email.
Level 1	13/Oct/2017	13/Oct/2017	Take up the 2-hour coding challenge at your college.
Level 1 Result announcement	17/Oct/2017	17/Oct/2017	Result for level 1 test will be announced.
Level 2	01/Nov/2017	01/Nov/2017	Shortlisted students will take part in level 2 test at the respective campuses.
Level 2 result announcement	3/Nov/2017	3/Nov/2017	Result for level 2 test will be announced.
Finals (2 days event)	16/Nov/2017	17/Nov/2017	Finals will be conducted to the students for those who have cleared level 2 test.

You Just Don't Win Gifts, You Win Career!!!

S.No	Position	Awards	Package	No of Selections
1	Winner	Pre-Placement Offers	5 LPA	Multiple
2	1st Runner Up	Pre-Placement Offers	4 LPA	Multiple
3	2nd Runner UP	Pre-Placement Offers	3.3 LPA	Multiple
4	3rd Runner Up	Pre-Placement Interviews	No Online Assessments. Direct Interviews	Multiple

Apart from above lot of surprising gifts awaits.
