

Hello!

We're back with the sixth episode in our series of Technology Education Expo and the topic for this session is '**Digital Transformation**'.

Join the session on March 16 to meet a revolutionary from Wipro and gain insights into the skills you need to harness digital technologies and become future-ready.

Meet our keynote speaker

Dr. Avnish Kshatriya has 20+ years of global industry experience primarily in the area of transformation, strategy, technology & architecture.

He's currently the Global Head & Principal Consultant of Transformation & Strategy Office (TSO) within the CIO/CDO function at Wipro Ltd.

Join the session to know more about

- Your future: Get insights into key learning pathways and professional growth opportunities for fresh graduates like you
- Why Wipro: Know us and our culture

You don't want to miss the live and candid Q&A session

March 16, 2022

3.30 PM - 4.30 PM
