

Following Capacity development and skills enhancement initiatives are taken by the institution

1. Soft skills, 2. Language and communication skills, 3. Life skills (Yoga, physical fitness, health and hygiene), 4. Awareness of trends in technology

1. Soft skills

ProDev

ProDev is a soft skill training programme, develops the career success. Technical skills alone are not sufficient for better employability opportunities. Hence soft skill solutions such as communication skills, problem solving (innovation skills, Brainstorming skills, Critical thinking skills, critical thinking skills and research skills), organisation, Leadership, Teamwork, adaptability and creativity are focused in the activity
