The Department of Information Technology in association with IEEE student chapter organized the event Hacktober .404 Found on **18.10.2020** from **8:30 Am to 3:30 Pm**. Hacktober .404 is a website design contest. A total of 110 students participated in the event. Out of this, 80 participants are from Sathyabama Institute of Science and Technology and 30 participants are from other institutions. The event was conducted in three rounds. And, six themes were given for the design. The themes considered for the contest include bank management system, ecommerce system, event management, leave management, bringing farmers on a single platform and a platform for doctors and patients. The contest was interesting and the participants came to know about the various design styles.

Webinar on “System Integration and Architecturing”

Nature of the Event	Live Webinar
Topic	System Integration and Architecturing
Date(s) & Time	28/10/2020 & 11:00 Am to 12:00 Pm
Resource Person	Mr.Dennis Surendar
No. of Participants	105
Nature of Participants	Students / Faculty
Zoom ID / Venue	951 9292 2943 / 549569

A live webinar on “**System Integration and Architecturing**” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **28th October 2020** from **11 Am to 12 Pm**. **Mr. Dennis Surendar, System Integration Architect, Federation Mortgage Association (FannieMae), USA** delivered the talk. A total of 195 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on System integration and architecturing and they were able to inculcate the insights of it. The speaker presented the session with interesting facts and highlights. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of System Integration.

A live webinar on “GIT and GitHub” was organized by the IEEE student Chapter in association with the Department of Information Technology, Sathyabama Institute of Science and Technology on **6th Feb 2021** from **10:15 AM to 12:30 PM**. **Mr. Kamal Sharma and Ms.Jayaroshini** delivered the talk. A total of 128 participants including both faculty and students participated in the webinar. The session was interesting and useful. Participants were able to acquire the basics on “GIT and GitHub” and they were able to inculcate the insights of it. The speakers presented the session with interesting facts and highlights. Suitable real time examples were illustrated to briefly understand the subject. At the end of the session, the speaker clarified the doubts of the participants. Feedback link was posted in the chat-box to acquire the inputs about the program from the participants. The overall feedback received by the participants stated that the webinar was excellent and they were able to take away the benefits of GIT and GitHub.
