The banner features the Capgemini logo and a smiling man with arms crossed. The text reads: "Love your career. ♠️ your career." Below this, five circular icons represent various company strengths: a shield with a checkmark, a bar chart with an upward arrow, a first-place medal, a gender equality symbol, and a handshake. Each icon is accompanied by a text label.

Our global client stories

Dear Praneeth,

We are pleased to extend to you an offer for the position of Analyst at Capgemini.

Not only did you crack your interview with us, you aced it! A trait we keenly look out for because, at Capgemini, we believe that passionate people are our [Ace of Spades](#), people who ace at their field of expertise and give meaning to their passion.

With us, you will gain the freedom to chart your career path. Whether you are seeking your very first job or your next career opportunity, joining us will enable you to achieve the professional growth and [work-life balance](#) you seek.

Factoring in Your Happiness, Every Step of the Way

As widely-quoted as it may be, happy people make a happy workplace. For us, the happiness of our people is what truly matters and keeps us going. Our [Glassdoor rating](#) reflects this happiness quotient in the positive experiences and feedback shared by our past and present employees.

Let's Build a Positive Future Together

For us, being the [Architects of Positive Futures](#) is a group-wide aim and driving force behind everything we do. To achieve this

aim, we leverage three fundamental pillars: Diversity and Inclusion, Digital Inclusion, and Environmental Sustainability.

Our [Diversity](#) target is to increase our global women workforce to **34%** by the end of 2020. In India, we are at **35%** as of August 2020; however, this data does not include our employees from Altran – a world-leading provider of Engineering and R&D services we acquired in April 2020.

Under [Digital Inclusion](#), we aim to support **100,000 people** via our digital literacy programs. As for our [Environmental Sustainability](#) target, we have trained our sights on becoming [net-zero by 2030](#), and recently undertaken [Mission Million](#)-an ambitious program to plant a million trees across India.
