Kind Attn: Mr. G.Arunkumar, Department of Mechanical Engg

Sub: Industry Sponsoring Shell & Tube Heat Exchanger by Precision Equipments.

Greetings from Precision Equipments Pvt Ltd, Chennai

As part of the MoU with Sathyabama Institute of Science and Technology, Chennai, Precision Equipment Pvt Ltd., understands and value the need of providing the highest quality learning and training experience with Industry standards to young dynamic budding professionals.

We, Precision Equipments (Chennai) Private Limited would like to sponsor real scale Shell and Tube Heat Exchanger to Thermal Engineering Lab of Sathyabama Institute of Science and Technology, Chennai under Industry sponsorship Scheme which will help students learn from a real scale model apart from academic learning. The approximate value of the equipment is around Rs.20,00,000/- (Twenty Lakhs only).

Hereby, we request Dr.G.Arunkumar, Department of Mechanical Engg to coordinate the process and to get the confirmation and approval from Sathyabama. We will deliver the shell and Tube Heat Exchanger at your Institute.

Herewith we have attached the General Assembly drawing of the equipment with necessary information in terms of size.

Sponsorship of software tools for applied research in Artificial Intelligence and Metaverse

Cognibot Labs is technology driven organization carrying out research and development in artificial intelligence (AI) and robotics. We focus on solving global industrial challenges through novel approaches involving applications of cutting-edge techniques in AI. As a part of our effort to drive the adoption of AI across the society for overall social empowerment, we are happy to partner with your institute to setup a hub for applied research on socially impactful applications of AI and Metaverse.

As a part of this partnership, we shall sponsor software tools, expert training sessions and certifications valued at INR 21,80,000 - to equip your researchers with the tools and know-how required to effectively conduct such research. The sponsored software package shall include:

- Cognibot AI Developer Stack 2022
 - Includes customized Jupyter notebooks, Nvidia CUDA, Nvidia TensorRT, Nvidia cuDNN etc.
- Mitsubishi RT ToolBox 3
- DJI RoboMaster
- Cognibot AI Vision Toolkit v2.1
- Cognibot Data Engineering Package v3.0
- Unity RT Development Platform
- Unreal Engine 5
- HTC Manager, Submit & Execute software packages

Looking forward to a productive partnership with your organization.

Our ref: 15679-1

Dear Prakash

The Rufford Foundation – (RF)

I am pleased to advise you that the trustees of The Rufford Foundation have approved a RSG grant of £4957. The grant is being made towards your project – STATUS AND SAFE EXPLOITATION OF MARINE ORNAMENTAL FISHES AND INVERTEBRATES OF GULF OF MANNAR, TAMILNADU: AN EXPENSIVE RESERVE FOR CONSERVATION.

You agree that you will only use the grant for the purposes of that project and will provide to the trustees a full formal report in twelve months' time to detail how the grant has been used (using the RF Final Report template sent with this letter). The report will include an account of all relevant expenditure in the period covered by the report. If you use the grant for purposes other than the above project, or do not supply us with a report that we consider to be satisfactory, then you agree to reimburse the grant to us in full. You will also provide us, by email, with ongoing feedback and photographs from the project to be used on the RF website (refer to email attachment entitled Submissions for the Rufford Foundation website). Please see our new map on the website and feel free to make contact with persons working in your area and doing similar projects.

By accepting the grant you warrant to us that you, Prakash S, will comply with the terms of the grant as set out in this letter.

We should be grateful if you would sign a copy of this letter to accept the terms of this grant. Once the signed duplicate copy has been received by fax or post, together with your bank details, by The Rufford Foundation, the said funds will be released. As soon as the funds are received, please acknowledge safe receipt of them to receipt@rufford.org quoting our reference number at the top of this letter.

Yours sincerely
Josh Cole
Grants Director

28th June 2022

Dear Dr Sasipraba

Re: Shrutika Hareshwar Raut 37306-1

As you know, after careful consideration, the Trustees of The Rufford Foundation have approved a Grant of £5995 (the **Grant**) to Shrutika Hareshwar Raut to support Assessing diversity, population genetics, and conservation status of electric rays along Bay of Bengal, India (the **Project**). A copy of the Grant Agreement and the completed Banking Information Form is enclosed with this letter.

The Rufford Foundation does not pay Grant monies directly to individuals and we will therefore pay the Grant to your institution's account.

This letter sets out briefly our understanding of the terms on which your institution holds the Grant.

Whilst we hope that your institution will not charge any administration fees to hold the Grant, should you decide that it is necessary to do so, please communicate this to Shrutika Hareshwar Raut in writing. The Rufford Foundation will not cover the cost of such fees and these should be deducted from the Grant with the agreement of the applicant.

We will make the full grant payment directly to your institution's bank account – please check that the information on the enclosed Banking Information Form is correct. For the avoidance of doubt, you will have no beneficial entitlement to the funds and these will be held to the order of Shrutika Hareshwar Raut.

Any funds that are unused at the end of the Project should be returned to the Rufford Foundation in full. Should it be necessary for us to reclaim the Grant or any portion of it due to the breach of the agreement made between the applicant and the Rufford Foundation, we will do so directly from the applicant but will keep you informed at all times.

The Grant must be used exclusively for the Project as outlined above and not for any other programme, project or for any other purpose. The Grant is not transferrable to another individual.

We should be grateful if you could confirm receipt of this letter. If you have any further questions, please do not hesitate to contact Jane Raymond at jane@rufford.org.

Stuart Paterson
Chief Executive Officer
The Rufford Foundation
