11.	Dr. Thenmozhi	External Member	Professor and Head, Department of Management Studies, University of Madras, Chennai
12.	Dr. S.S.Rau	Secretary	Registrar, Sathyabama Institute of Science and Technology, Chennai 600 119

Following are the Minutes of the meeting:

ITEM NO. 12.01

The Vice Chancellor welcomed all the members of the Committee. This being the first meeting of the Vice Chancellor as a Chairman of the Committee, all the members of the Committee have greeted the new Chairman and extended their wishes and support for him.

ITEM NO. 12.02

The minutes of the previous meeting were approved by all the members of the Board.

ITEM NO. 12.03

The Chairman has brief the Committee about the latest development in the Accreditation process by NAAC. He has mentioned that the second cycle Accreditation was completed in October, 2015 for which the NAAC has given 2.50 Score with B Grade. However, the University has gone for appeal and review of the same. As the appeal was unsuccessful, the University has opted for Reaccreditation. The reaccreditation has taken place in September, 2016. But, the NAAC has not announced the results. However, the NAAC has appointed one more Committee to evaluate the University. The expenses of this Committee will be completely born by the NAAC itself. The Chairman has informed the members that the Team may visit in the month of August, 2017. The result of the Accreditation process will be known by September, 2017 which will be informed to the members in the next meeting.

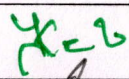

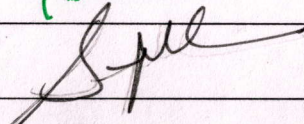

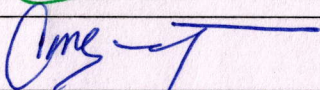

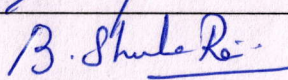

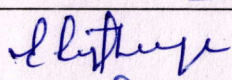

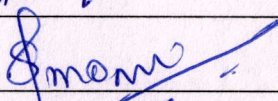

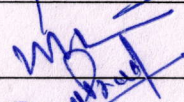

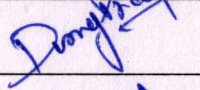

requested the Director Research to get the Animal Ethical Committee approval for the commencement of these Research facilities. The Chairman has added that the subject to the approval from the Animal Ethical Committee and the procurement of the live stock for the Animal Research, the proposed Centres will be inaugurated in the month of September or October, 2017.

ITEM NO. 12.08

Director Research Dr. Sheela Rani has appraised the Board about the performance of the Technology Business Incubator. She has mentioned that four start ups have already commenced and two more start ups are in the developmental stage. She has submitted the list of startups by the TBI to all the members of the Committee.

The meeting was ended with the Vote of thanks by the Convener.

MINUTES OF THE 15th PLANNING & MONITORING COMMITTEE MEETING

ON 6th November, 2019 HELD AT VC CONFERENCE ROOM, 2.30 P.M

The 15th Planning & Monitoring Committee was held in the VC Conference Room on 6th November, 2019. The meeting was chaired by the Vice Chancellor and convened by the Registrar. The following table gives the details members and the Invitee of the Committee.

	NAME OF THE MEMBER	DESIGNATION	ADDRESS WITH TELEPHONE NO.
1.	Dr. S. Sundar Manoharan	Vice chancellor - Chairman	Vice Chancellor, Sathyabama Institute of Science and Technology, Chennai 600 119
2.	Dr. T. Sasipraba	Member	Pro Vice Chancellor, Sathyabama Institute of Science and Technology, Chennai 600 119
3.	Dr. Wilson Aruni	Member	Pro Vice Chancellor, Sathyabama Institute of Science and Technology, Chennai 600 119
4.	Dr. Mariazeena Johnson	Member	Chancellor, Sathyabama Institute of Science and Technology, Chennai 600 119
5.	Dr. Marie Johnson	Member	President, Sathyabama Institute of Science and Technology, Chennai 600 119
6.	Dr. B. Sheela Rani	Member	Director Research, Sathyabama Institute of Science and Technology, Chennai 600 119
7.	Dr. E. Logashanmugam	Member	Director - Administration, Sathyabama Institute of Science and Technology, Chennai 600 119
8.	Dr. G. Sundari	Member	Dean - Student Affairs, Sathyabama Institute of Science and Technology, Chennai 600 119
9.	Dr. M.A. Atmanand	Member	Director, National Institute of Ocean Technology, Chennai

10.	Dr. T.J. Kamalanabhan	Member	Professor, Department of Management Studies, Indian Institute of Technology, Chennai
11.	Dr. Kallol Roy	Invitee	Chairman and Managing Director, Bharatiya Nabhikiya Vidyut Nigam Limited, Kalpakkam
12.	Dr. S.S.Rau	Secretary	Registrar, Sathyabama Institute of Science and Technology, Chennai 600 119

Following are the Minutes of the meeting:

ITEM NO. 15.01

The Vice Chancellor welcomed all the members of the Committee. Vice Chancellor introduced all the Members to the Committee and thereafter the Committee proceeded with the discussion.

ITEM NO. 15.02

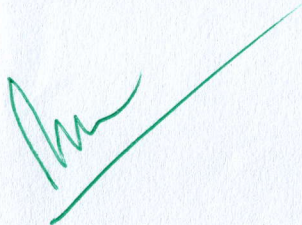

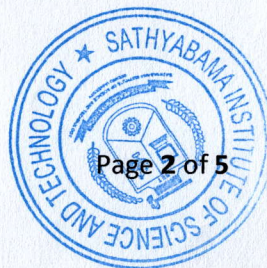

The Convener presented to the Committee about the existing five year plan and briefed the progress of the same.

ITEM NO. 15.03 (SUGGESTIONS RELATING TO THE STRATEGIC 2020-2025)

The Committee requested the Chairman to present the proposed Strategic Plan for 2020-2025. The Vice Chancellor presented the proposed Strategic Plan for 2020-2025. Based on his presentation, the following suggestions were made by Committee.

Dr. Kallol Roy suggested to introduce the following courses / programmes after the due consideration and deliberation.

- Commencement of System Theory Course with Bio, Engineering, Social Sciences, System Theory and Big Data Analytics.
- To introduce one year Course in Nuclear Law and Space Law, by taking the relevant inputs from the leading National Universities of Law in India.
- While appreciating the Laboratory establishment of Next Gen Laboratory, he suggested to introduce Augmented Reality and Virtual Reality Courses at Under Graduate Level based on the Interest of the students fraternity.

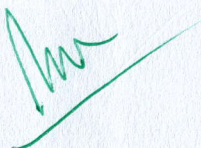

- To Introduce **Industrial Mathematics** as a formal Engineering Programme in order to meet the **Industrial Requirement of Modeling, simulation and scientific Computing.**
- To introduce Distinguished Alumni Award every year in order to get connected with the Alumni and also to tap their potential in terms of expertise.

Dr. M.A. Atmanand suggested the following for the effective implementation of 2020-2025 strategic Plan.

- To make the **Skill Development Courses mandatory** for all the students with Technical as well as Non Technical background.
- To encourage the staff members to utilize the Online Platform like SWAYAM and MOOC.
- To undertake **SWOT analysis for the improvement of the Institution** as a whole and present at the next meeting.
- To give the **assignments** or problem to the students through **Hackthon** or similar events which enable them to **enhance lateral thinking ability.**
- To explore the possibilities of undertaking Research in methods, Reducing the Pollution levels, identifying new materials to replace Plastic and to identify newer technologies for water conservation and generation..
- To follow the **sustainable developmental goals** (SDG) for the overall improvement of environment of the Institution as per the SDG agenda of United Nations.
- To introduce Courses which will make the students to be equipped to face future technical challenges (introduction of subjects related to **Electric Vehicle Engines** apart from the IC Engines, etc.,).
- To **construct** one building in the campus as **"Green Building".**

Dr. T.J. Kamalanabhan suggested the following for the effective implementation of 2020-2025 strategic Plan.

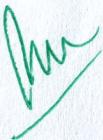

- To explore the possibilities of tapping the funds from Industry. The funds allocated by the Industry of CSR activities may be tapped easily by the Institution Growth and Development in terms of Research.

- To appoint at least one Professor (of Practice) from the Industry for a period of one year in each School so that the Industry practices can be taught in the Institution itself. He also mentioned that this practice is being followed at IITs and IIMs, at present.
- To conduct Executive Development Programme either through Regular Class Room mode or 80% class room mode and 20% web based class model. This will enhance the revenue generation for the institution.
- Efforts should be taken to acquire consultancy Projects from industry..
- To increase the strength and quality of full time Research Scholars for improved quality publications.
- To encourage the Faculty members to apply for more funding programs and to make at least two faculty members get funding each year so that it becomes a motivating force for the other faculty members.
- To increase the Alumni Network in order get the Technical as well as financial inputs. Being an Institution with more than 30 years in existence, the Institution should work hard to increase the Alumni database in order get the benefit from Alumni.
- To start a **Research Park with business Incubation**, Venture Capital investment methodologies, for which the Institution may visit Research park at IIT, Chennai in order to get the basic Idea about the starting and operating the Research Park.
- To increase the bench marking level for the Placement in terms of Quality of Placement and also the average salary package.
- To **initiate the Start Up culture among staff and student** to support Make in India Mission of Government of India.

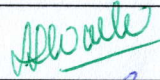

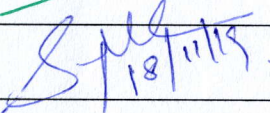

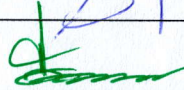

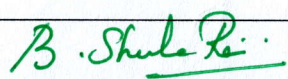

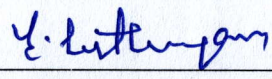

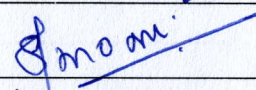

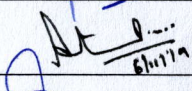

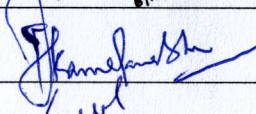

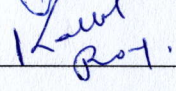

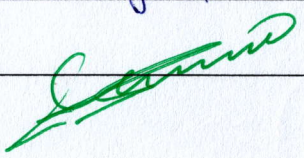

ITEM NO. 15.04 (SUGGESTIONS RELATING TO VISION AND MISSION STATEMENT)

- Dr. Wilson Aruni, Pro Vice Chancellor suggested to modify the Vision Statement by incorporating the Scientific component in the Vision Statement as the Institute started diversifying into various Bio related fields of Training and Research. All the members have agreed upon his suggestions and suggested to incorporate "Scientific and Technical Manpower" .

- In addition to the above change, Dr. Kamalanabhan suggested to incorporate "Society requirements" in place of "Industrial requirements"
- All the External members have sought more time to give more ideas and inputs relating to the Vision and Mission of the Institute.

The meeting ended with the Vote of thanks by the Convener.

AGENDA FOR THE 16th MEETING OF PLANNING & MONITORING COMMITTEE (THROUGH VIRTUAL MODE)

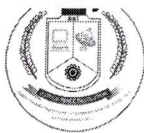

VENUE: BOARD ROOM

DATE: 25.01.2021

TIME: 10.30AM

1. Welcoming the members by Chairman
2. 2020-2025 Strategic Plan Details
 - Transformation of Education
 - Skill Training and Skill based courses
 - Swayam Courses
 - Dual Degree Courses
 - Allied Health Science Programmes
 - Accreditation and Ranking
 - Translational Research
 - Additive Manufacturing and Industry 4.0
 - Cyber Physical System
 - Big Data Driven Quality Control
 - Robot Assisted Production
 - Product Line Simulation
 - Predictive Maintenance
 - i 4.0 in Health Care
 - Next Generation Laboratory
 - Partnership with Industry and Academia
 - Consultancy projects
 - Advanced Technologies
 - Centres of Excellence
 - Innovations and Start ups
 - Transcending Quality
 - Smart and Green Campus
 - Facilitating International students and Peer Engagement
 - Societal Engagement
3. Progress of implementation of Strategic Plan
4. Suggestions for improved implementation strategies
5. Vote of thanks

12.	Dr. S.S.Rau	Secretary	Registrar, Sathyabama Institute of Science and Technology, Chennai 600 119

[Handwritten signature]

Following are the Minutes of the meeting:

ITEM NO. 16.01

The Vice Chancellor welcomed all the members of the Committee. Vice Chancellor introduced all the Members to the Committee and thereafter the Committee proceeded with the discussion.

ITEM NO. 16.02

The Convener presented to the Committee about the initiatives and implementation steps of 2020-2025 five year plan.

ITEM NO. 16.03 : EFFORTS TOWARDS REALIZING TRANSFORMATION OF EDUCATION

The convener briefed to the members of the committee that as a part of realizing the Strategic point of transformation of education, the institution's sustained efforts are well complimented by the recognition received in the form of consecutive top 50th position in NIRF rankings by MHRD. The following details of NIRF ranking was shared by the Convener to the committee.

CATEGORY	YEAR WISE NIRF RANKING				
	2020	2019	2018	2017	2016
UNIVERSITY	39	41	45	44	42
ENGG.	51	47	37	NA	NA
OVERALL	61	64	68	72	NA

This is also briefed to the members, that institution's best efforts in the domain of innovation. The institution innovation council, e-cell and TBI are coordinating efficiently towards boosting the innovative culture in the campus. These coordinated efforts of institution were fruitful as the Sathyabama Institute of Science and Technology has been recognized as one among top 5 institutions in the category of innovation by ATAL Rankings 2020 (ARIIA). All the updated rankings of institution in Times 2020, Times Asia Rankings, QS India rankings and by various other forums are informed by the convener to the members. The data shared is as follows:

- Secured 1001+ position in the Times Higher Education World University Rankings 2021.
- Secured 301-350 position in the QS Asia University Rankings 2021, thereby moved 100 positions ahead than the previous year ranking.

S. Sathya

- Awarded with QS - E Lead (E - Learning Excellence for Academic Digitization) Certification for exhibiting excellence in adopting ICT enabled Teaching and learning Process.
- Positioned in 51-55 ranks among the Indian Institutions by QS-India Ranking 2020.
- Positioned in 401+ Asia Rankings 2020 ; 351+ Emerging Economies Ranking 2020; 301+ Young University Rankings 2020; 801+ Subject Rankings 2020

The members are also briefed with the information about the NBA accreditation received by B.E- Electrical and Electronics Engineering, B.E-Computer Science Engineering and B.Tech-Bio Technology, apart from this the institution also submitted the Self-Assessment Report for the NBA Accreditation process for seven Under Graduate Programmes including B.E- Electronics and Communication Engineering, B.E- Mechanical Engineering, B.E- Civil Engineering, B.Tech-Biomedical Engineering, B.E- Chemical Engineering, B.E- Aeronautical Engineering, B.Tech-Information Technology and M.B.A –Masters in Business Administration. These achievements are lauded by the members and also understood the appropriate measures taken up by the management in adhering to the first segment of the strategic plan i.e. Transformation of Education. ABET accreditation process is also initiated for Computing, Electronics and Biotechnology departments.

New courses were introduced, namely, B.Sc. - Medical Lab Technology and B.Sc. - Clinical Nutrition and Dietetics courses to cater the academic interests of allied health science students. Proactive measures were taken up by the institution to introduce the quality of education to all the sections of the society. As a part of which , Centre for Professional and Career Advancement on 16th July, 2020 commenced that is aimed to provide Online and Distance Education courses.

The convener also informed that 10 UGC- NSQF Skill Based Programs are sanctioned for the Academic Year 2020-2021.It was also briefed to the members about the MoU signed with University of Hull, UK, for Masters Programme (M. Tech- Medical Instrumentation and M.E – CAD) and Nottingham Trent University for Masters in

S. J.

Computer Science and Architecture Courses to initiate Dual Degree Programme for our students.

ITEM NO. 16.04: PROACTIVE MEASURES OF THE INSTITUTION TOWARDS SUPPORTING TRANSLATIONAL RESEARCH

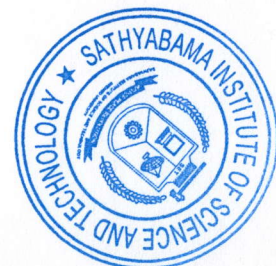

It was briefed to members about the introduction of Industry 4.0 into the UG and PG curriculum. This would support the lateral thinking of the students towards innovative research.

Two Centers of Excellence , namely, Center for Excellence on Data Science in association with CapGemini and Center for Excellence on Cloud Computing in association with VM Ware were established by the institution.

To foster the culture of translational research, seed money grants for a budget of 25 lakhs and 15 such ideas are given boost to translate into products, 14 new products were indigenously developed by faculty and students in the campus.

A Next Gen Laboratory was established to provide training to students in advanced Technologies in the fields of Artificial Intelligence and Virtual reality. The institution also put one step forward in making the conjunction of expertise in industry with the bright minds in campus through three the design of three certificate courses in Aviation in association with Madras Flying Club and also Certificate Courses on Block Chain Technologies, Artificial Intelligence, Virtual Reality, Augmented reality, Internet of things were conducted.

MoU proposal with 3 Industries this year to facilitate Collaborative activities like Training, Placement, Joint Proposals and Internship programmes and Initiated MoU with 41 International Universities this year to facilitate Collaborative activities like Student Exchange, Faculty Exchange, Joint Conference/Seminar and Joint Research are two more initiatives towards collaborative research.

As a result of all these efforts, institution could able to file 112 patents for Innovative Designs and Products and for the year 2019-20 year 63 patents have been granted for the Institution.

ITEM NO. 16.05: MEASURES TOWARDS TRANSCENDING QUALITY

The convener briefed to all the members about the socio-conscious gesture of the management of the institution in contributing Rs.50 Lakhs for COVID 19 Fund to Prime Minister Relief Fund and Chief Minister Relief Fund.

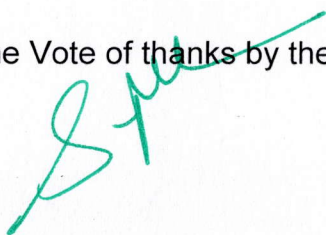

The institution model of growth is always "Inclusive", as a process of which adopted 5 villages namely Thenmelpakkam, Appur, Venkatapuram, Kumuzhi and Otteri under the Unnat Bharat Abhiyan Scheme for Overall Development of the Villages.

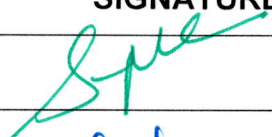

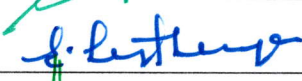

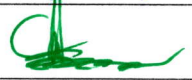

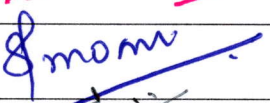

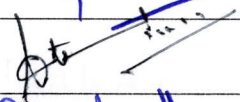

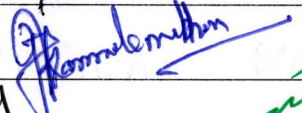

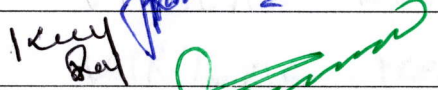

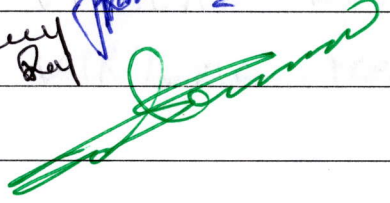

In the support of clean and green campus initiative, the institution installed LED lighting in the campus.

Dissemination of Quality Education beyond horizons is the new dimension of the growth model of the institution. In this process, the institution has successfully initiated Student Exchange programmes with Universities in Malaysia, Brazil, Romania, Turkey, USA, Germany, Singapore and Australia and also faculty Exchange and Research Fellowship programmes were initiated with Universities in Poland, USA, Taiwan, UK, Bangladesh, Sweden, Turkey, Malaysia, Joint Conferences were Organized with Universities in UK, Malaysia, Brazil and Indonesia and Initiated Faculty Development Programmes in Online Mode during Pandemic with International Universities.

The members appreciated the 3 dimensions of the 2020-2025 strategic plan; Transforming education, Translational Research and Transcending Quality and the pace with which the administration is committed to the implementation of the 2020-2025 strategic plan.

The meeting ended with the Vote of thanks by the Convener.

MINUTES OF THE 17th PLANNING & MONITORING COMMITTEE MEETING ON 29th January, 2022 HELD AT BOARD ROOM, 11.00 A.M.

The 17th Planning & Monitoring Committee was held in the Board Room on 29th January, 2022. The meeting was chaired by the Vice Chancellor and convened by the Registrar. The following table gives the details members and the Invitee of the Committee.

	NAME OF THE MEMBER	DESIGNATION	ADDRESS WITH TELEPHONE NO.
1.	Dr. T. Sasipraba	Vice chancellor - Chairman	Vice Chancellor, Sathyabama Institute of Science and Technology, Chennai 600 119
2.	Dr. E. Logashanmugam	Member	Pro Vice Chancellor, Sathyabama Institute of Science and Technology, Chennai 600 119
3.	Dr. Mariazeena Johnson	Member	Chancellor, Sathyabama Institute of Science and Technology, Chennai 600 119
4.	Dr. Marie Johnson	Member	President, Sathyabama Institute of Science and Technology, Chennai 600 119
5.	Ms. Maria Bernadette Tamilarasi	Member	Vice President, Sathyabama Institute of Science and Technology, Chennai 600 119
6.	Mr.J.Arul Selvan	Member	Vice President, Sathyabama Institute of Science and Technology, Chennai 600 119
7.	Ms. Maria Catherine Jayapriya	Member	Vice President, Sathyabama Institute of Science and Technology, Chennai 600 119
8.	Dr. B. Sheela Rani	Member	Director Research, Sathyabama Institute of Science and Technology, Chennai 600 119
9.	Dr. G. Sundari	Member	Director - Administration, Sathyabama Institute of Science and Technology, Chennai 600 119
10.	Dr. M.A. Atmanand	Member	Director, National Institute of Ocean Technology, Chennai
11.	Dr. T.J. Kamalanabhan	Member	Professor, Department of Management Studies, Indian Institute of Technology, Chennai
12.	Dr. Kallol Roy	Invitee	Chairman and Managing Director, Bharatiya Nabhikiya Vidyut Nigam Limited, Kalpakkam
13.	Dr. S.S.Rao	Secretary	Registrar, Sathyabama Institute of Science and Technology, Chennai 600 119

Spur

Following are the Minutes of the meeting:

ITEM NO. 16.01

The Vice Chancellor welcomed all the members of the Committee. Vice Chancellor introduced Mr.J.Arul Selvan, newly inducted Vice President of the institution to all the members and invited for the discussion. All the members welcomed the Vice President and extended warm wishes to him.

ITEM NO. 16.02

The Secretary Dr.S.S.Rao, Registrar of the instituon presented to the Committee about the initiatives and implementation steps of 2020-2025 five year plan.

ITEM NO. 16.03: EFFORTS TOWARDS REALIZING TRANSFORMATION OF EDUCATION

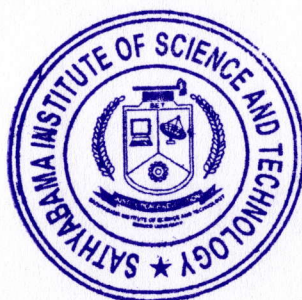

The Secretary briefed and explained vividly about the initiatives took by the institution in realizing the strategic point of "Transformation of Education". Amidst proliferation of "Sustained Development Goals" by the institution in every possible arena, these efforts are further encouraged with the recognition received in the form of consecutive top 50th position in NIRF rankings by MHRD. The following details of NIRF ranking was shared to the committee.

CATEGORY	YEAR WISE NIRF RANKING					
	2021	2020	2019	2018	2017	2016
UNIVERSITY	40	39	41	45	44	42
ENGG.	55	51	47	37	NA	NA
OVERALL	61	61	64	68	72	NA

This is also shared to the members about fostering the innovation culture in the campus with various wings of operation, namely; Sathyabama-Institution Innovation Council, Technology Business Incubator, Seed money grants for innovative ideas and e-cell.

In continuation, to the above information, Dr.Mariazeena Johnson proposed establishing a new facility "Innovation and Entrepreneurship" building in the campus and all the members unanimously appreciated this novel initiative. Members felt that such installation would boost up the innovation eco-system in the campus. Members requested to complete this project as soon as possible, so that the fruits of this initiative are well-received.

S. S. Rao

All the updated rankings of institution in Times 2021, Times Asia Rankings, QS India rankings and by various other forums are informed to the members.

The details of NAAC SSR preparation also shared to the members by the Vice Chancellor and the members shared the inputs such that all the updated achievements shall be incorporated in to the report, wherever applicable and possible.

The committee was also informed about the plan to adopt 4 to 5 schools to inculcate innovative thinking among students; the possible inclusion of such initiative under AIM scheme will make the institution's contribution to societal growth more impactful. Institution Innovation Council will be directed to take up this initiative is the outcome of this discussion.

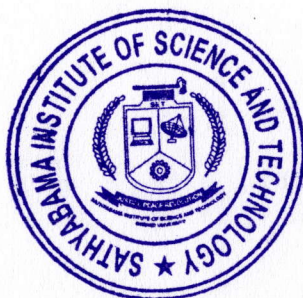

Seed funding grants, inviting innovative ideas from faculty and students are to be taken up in a periodical manner is another step towards promoting quality education, which transforms ideas into products.

Members also discussed to conduct **"Start-up Summit" to attract Angel investors** for the products developed from seed funding.

These achievements are lauded by the members and also understood the appropriate measures taken up by the management in adhering to the first segment of the strategic plan i.e. Transformation of Education.

ITEM NO. 16.04: PROACTIVE MEASURES OF THE INSTITUTION TOWARDS SUPPORTING TRANSLATIONAL RESEARCH

The multi-disciplinary research shall be encouraged and budget of 25 Lakhs for seed funding was allocated and shall be reviewed to enhance as per the necessity. Special measures to improve the number of patents filed shall be taken, possibility of applying to Yukti program shall be considered are the points brought before the committee by the members after discussion and implementation.

Faculty exchange programs shall be re-initiated further as the international universities are opening for new initiatives. Erasmus plus fund proposals shall be submitted to make faculty exchange programs on track after this pandemic era is another suggestion from the committee.

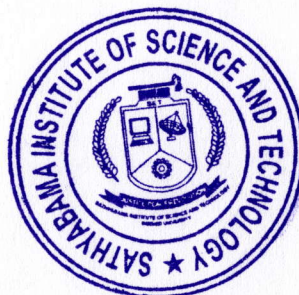

Necessity of construction of Field research establishment for Ocean Research was brought into the notice of committee by Director Research and the same was supported by the members. BOR shall discuss about the continuation of online mode Ph.D. Viva-Voce in adherence with the guidelines of UGC is another point discussed by the members of the committee and requested Director Research to make the inclusions accordingly.

As a result of sustained efforts the number of patents filed by faculty was increased. Special recognition and reward for best research papers is another step towards improving the quality of research. Members lauded all these efforts towards the Strategic step of Supporting Translational Research.

ITEM NO. 16.05: MEASURES TOWARDS TRANSCENDING QUALITY

Quality infrastructure resembles the efforts to transcend quality in offering education. The institution is very categorical on this aspect and there is a proposal from Dr.Mariazeena Johnson to establish a Cultural Monumental construction in the name of Founder Chancellor Col.Dr.Jeppiaar, which stands as the symbol of pride for the institution, this ideas was welcomed by all the members.

Vice Chancellor also shared the details of celebration activities planned throughout the year to all the members of the committee and the related details. As a mark of celebrating the student success, "Achievers Day" celebrations was proposed by Dr.Mariazeena Johson, and supported by other members, it was also added to conduct a Freshers Day celebration in the campus during April-May, 2022 to encourage fresh talents. Continuation of online mode SAEED and its preparations were briefed by Secretary to the committee members.

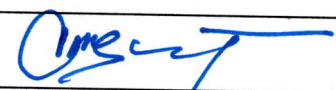

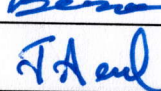

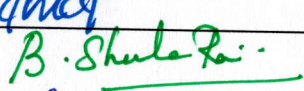

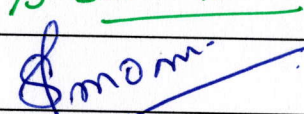

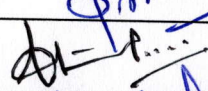

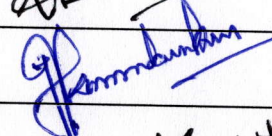

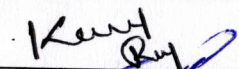

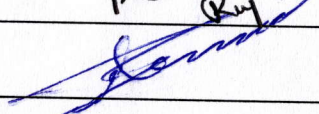

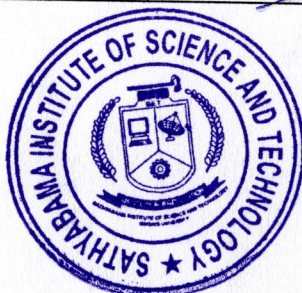

a Freshers Day celebration in the campus during April-May, 2022 to encourage fresh talents. Continuation of online mode SAEED and its preparations were briefed by Secretary to the committee members.

The efforts towards beautification of campus were explained by the member secretary Dr.S.S.Rao to the committee. The construction of canteens – chain of delicious food spaces for students and faculty was also shared to members.

These initiatives, points of discussion to realize the three dimensions of 2020-25 strategic plan was appreciated by all the members of the committee.

The meeting ended with the Vote of thanks by the Member Secretary.

AGENDA FOR THE 17th MEETING OF PLANNING & MONITORING COMMITTEE (THROUGH VIRTUAL MODE)

VENUE: BOARD ROOM

DATE: 29.01.2022

TIME: 11.00 A.M.

1. Welcoming the members by Chairman
2. Induction of new member
3. 2020-2025 Strategic Plan Details
 - Transformation of Education
 - NIRF ranking details
 - NAAC SSR
 - Innovation and Entrepreneurship building
 - Adoption of Atal Tinkering Labs of schools under AIM
 - Start-up Summit
 - Translational Research
 - Seed funding
 - Best research papers encouragement
 - Faculty exchange program
 - Transcending Quality
 - Dr. Jeppiaar Auditorium
 - Achievers' Day celebration
 - Freshers' Fest
 - Online SAEED
4. Progress of implementation of Strategic Plan
5. Suggestions for improved implementation strategies
6. Vote of thanks
