

Cons and Endo day 2021 - Conservative Dentistry and Endodontics day 2021

On account of Conservative Dentistry and Endodontics day 2021 various activities were conducted in Sathyabama Dental College and Hospital on 10.03.2021, which included Rangoli, Sketching/Painting, Carving, Poetry, Posters, Memes, Short-films and post graduate clinical case presentations to create awareness among the patients on oral health. Students have participated in those events, showcased their talents and winners were honored with certificates. An awareness was developed among the patients using audio-visual aids related to dental trauma, oral hygiene and caries.
