Respected madam,

Sub: Thanking Sathyabama University and Anbu Foundation
for admitting our students- Reg.

Warm greetings from GNE India,

We are an NGO called 'Global Network for Equality' based in Tirunelveli, Tamilnadu, India. We primarily work for the welfare of the children, especially, children who have one of their parents imprisoned for crimes related to domestic dispute such as spouse murder case. These children of prisoners and children of crime victims are often subjected to social stigma and deprived of care and support. They are in dire need of care and protection from the society which in turn will protect them from indulging in criminal path.

Since 2014, we work with these children by providing educational scholarships, psycho-social support, career guidance, and reintegrate them with their parents. We make frequent home visits to follow-up and assess the progress of these children.

Measuring the positive impacts on the children, we continue to serve this population. We have replicated our model from Palayamkottai Central Prison to Madurai Central Prison.
