Ma'am,

I am a student of this college, Roll no: **22S115242**
Reg No: 42110044, Academic session 2022-26
Branch: CSE.

100% Scholarship

It was on the fateful day of this DEEPAWALI dated 22.10.2022 that I lost my parents in an appalling road accident. The irretrievable loss not only pervaded & riddled us but also snatched its tutelage of security & support apart from putting my 81 yrs old grandfather suffering with prostate abnormalities, my younger sister studying in class X, sibling who's 8 yrs old and still unaware of this catastrophic adversity.

My father had been the only son of my grandfather hence we are rendered to fight the unforeseen challenges by ourselves. The only source of income has come to a stand-still state. Now, I do realize bitterly on how helpful Kith and Kin be in such situation.

I earnestly urge you to consider my case with Catholic approach to enable me to continue my studies so that I could lead rest of the grieving members. I am not aware to the fact whether my request fall under college rules and regulations pertaining to such monetary concessions but deserve a sympathetic consideration.

Thanking you, Ma'am.

Respected Madam,

Sub: Thanking Sathyabama Institute of Science and Technology and Anbu Foundation for admitting our students under full scholarship support – Reg.

Greetings from Global Network for Equality (GNE)-India.

We take this opportunity to express our heartfelt gratitude and sincere appreciation to the Management of Sathyabama Institute of Science and Technology and Anbu Foundation for their generous and compassionate support for the children under our care.

As you are aware, Global Network for Equality (GNE)-India has been working since 2014 for the welfare and rehabilitation of children of crime victims by providing educational scholarships, psychosocial support, career guidance, emotional care, and reintegration into mainstream society. Through continuous field interventions, regular home visits, counselling, and restorative justice practices, we strive to rebuild the lives of these vulnerable children and reduce the cycle of intergenerational crimes. Our intervention model, initiated at Palayamkottai Central Prison, has now been successfully replicated in Madurai Central Prison as well.

Based on our request and recommendation, Sathyabama Institute of Science and Technology graciously admitted several of our deserving students to their preferred courses with full educational scholarships. We are deeply touched that the institution, through the noble support of Anbu Foundation, has not only waived tuition fees but also provided free hostel accommodation and met other academic-related expenses for these underprivileged students.

Your institution's unwavering commitment to inclusive education and social responsibility has become a beacon of hope for children who have faced severe social and emotional challenges. The management's extraordinary efforts in ensuring admissions and providing continuous support have transformed the futures of many young lives.

We remain humbled and inspired by this noble gesture and extend our sincere thanks to the entire team of Sathyabama Institute of Science and Technology and Anbu Foundation for creating life-changing opportunities for our children and empowering them through quality education and compassionate care.
